## Car Thefts Top Area Crimes Here This Week

### Thieves Also Haul Away \$2000 in Metal At Venice, Madison

Auto thefts and the theft of equipment from parked vehicles headlined a series of 23 crimes reported in the Quad-City area since Monday. In addition, thieves hauled away \$2000 worth of brass from a Venice scrap yard and \$300 worth of copper from a West Madison plant.

Dennis Nobbe of Worden reported at 11:25 p.m. Wednesday that his blue 1966 two-door auto was stolen from the parking lot at 17th street and Madison avenue after 2:30 p.m.

William Mann, 4140 Division street, reported at 3:55 a.m. today that a gray 1965 two-door auto was stolen from the parking lot at General Steel Industries after 3 p.m. Wednesday.

A black over dark green 1967 four-door auto was stolen during the night from the lunch room of a Pontiac agency, 1801 Madison avenue, it was reported at 9:20 a.m. today.

### 1968 Auto Stolen

Robert Hogg, 4112 Pontoon road, reported at 8:10 a.m. today that his black over yellow two-door 1968 auto was stolen while it was parked on the General Steel Industries lot after 11 p.m. Wednesday.

A 1967 auto stolen early Sunday from Charles Johnson of St. Louis was recovered at 3:45 p.m. Monday by Venice police. Officers said they found the car abandoned at the 1200 block of Calhoun street.

Troy Smith, Rural Route One, reported at 3:15 p.m. Monday that his 1959 dark green station wagon was stolen from the 2200 block of Lee avenue after 7 a.m.

### Auto Battery Stolen

Harry Evans, 2254 Iowa street, reported at 9 a.m. Tuesday that a 12-volt battery was stolen from his 1957 auto while it was parked at his home during the night.

Lloyd Burn, 1812 Bremen avenue, reported Monday that a tire and wheel were stolen from his 1955 auto while it was parked at his home.

### State Battery Stolen

A battery was stolen from a pickup truck owned by the state of Illinois while it was parked during the night at the home of Paul Jones, 2668 Washington avenue, he reported Monday.

John Robertson, 1224 Robin street, Venice, reported that someone forced open his 1968 auto and stole a stereo recorder while the car was parked.

## Downtown Edison Avenue Open to Two-Way Traffic

Two downtown blocks of Edison avenue—the 1800 and 1900—now are open to two-way traffic. The changeover is on an experimental basis.

### TB X-Ray Unit to be In Madison Saturday

Madison County Tuberculosis Association's mobile chest x-ray unit will pay its annual visit to Madison on Saturday, it was announced today by Mrs. William Barth, executive secretary.

Area residents, 16 and over, may have free chest x-rays on the unit which will be stationed at Dairy Master, 516 Madison avenue, from 9:30 a.m. to 1 p.m., and from 2 to 3 p.m.

Quad-Cities will have two additional dates to have free chest x-rays before the survey is completed this year, Mrs. Barth said. The unit will be stationed at St. Elizabeth Hospital on Monday, April 28, from 7 to 11 a.m., and from noon to 4 p.m., and will wind up the survey at the home of Paul Jones, 2668 Washington avenue, he reported Monday.

## \$3,098,900 Low Bid For Storm Sewer Lines

### Slight Amount Under Estimate for 3-Phase Job; Study Begins

S. M. Wilson Co., Granite City, is the apparent low bidder for the three-phase storm water drainage project, it was announced during Monday night's Granite City council meeting.

The firm's bid of \$3,098,900 for the overall project was referred to the Special Sewer committee for review and recommendation. Another overall bid was received from A. H. Seebold Co., Granite City, and totaled \$3,212,396.

Bids for the three phases and for the overall project were opened in advance of the council meeting. Alderman Bartolik, chairman of the committee, said a quick review showed Wilson Co. to be the low bidder.

The unit figures and the individual phase bids will be studied by the committee and the engineers, H. W. Lochner Co., before a recommendation is made for award of the contract.

### The city has its \$3,000,000 general obligation bond issue and about \$1,400,000 remaining of a \$1,500,000 grant of federal funds—a total of \$3,500,000 to finance the project.

### Bid Within Estimate

Representatives of the engineering firm said the study should be completed in time for next Monday night's council meeting. The \$3,098,900 bid was within the engineer's estimate of \$3,100,000, Bartolik told council members.

The three-phase project is a start for separation of storm water and sanitary sewage in the other sections of Granite City.

### Left Turns Permitted

A plan to prohibit left turns off Niedringhaus avenue and off 26th street to go south in the 1900 block was voted down 10-to-6 Monday night by the city council. However, there is a no left turn sign on Niedringhaus avenue at Edison avenue, installed to prohibit left turns to double back on 26th street.

### Opponents to the two-way traffic in the two downtown blocks have predicted "chaos" and "a monumental traffic jam." Those favoring it have pointed out that similar changes to eliminate one-way traffic on 19th street, State street and Delmar avenue in recent years were carried out without any problems except for a few motorists who forgot

## Three GC Steel Workers Killed In Traffic Crash

Three Granite City Steel Co. employees were killed and five others injured, four of them seriously, when the motor van in which they were homeward-bound crashed into the rear of a tractor-trailer truck on Route 66 at 8:30 a.m. today.

All of the dead and injured were residents of the Benid-Staunton-Gillespie area and rode together to and from their jobs at the steel plant.

### The dead are Rudolph Novak, 62, and Richard Vezell, 62, both of Benid, and Vernon Randle, 33, of Staunton.

### The bodies were taken to a funeral home at Troy.

### Seriously injured, according to Illinois State Police, are Harold Best, 55, Benid, and Robert Fletcher, 32, Alvin Stein, 63, and Kenneth H. Kuehn, 39, all of Staunton. Peter Halpin, 37, of Gillespie, suffered minor injuries.

### State troopers said Kuehn was taken to the hospital at St. Joseph Hospital at Highland.

### Kuehn was driver of the tractor-trailer truck, Roland E. Jodway, 42, of St. Charles, Mo., was uninjured.

### State troopers said the accident occurred after Jodway had stopped his tractor at the Illinois Central underpass on Route 66, one mile south of state route 143, to check the height of his trailer for clearance.

### Police said he had got into the truck and was just beginning to move when the motor van struck the rear of the trailer.

### The letter of agreement was signed by Paul H. Kelly, personnel director of the Granite City auto frames plant, and Flare "Bill" Warfield, president and business representative of the Bollemakers union.

### Text of Agreement

The agreement states: "It has been the company practice at the Granite City plant to require that employees returning to work after absences of 90 days or more are given a physical examination as a condition of their return.

## Arson Suspected in Diamond Inn, Old White Swan Blazes

Fires that destroyed the old Diamond Inn building at Nameoki and Maryville roads at Mitchell Tuesday night and damaged the nearby White Swan tavern structure yesterday afternoon are believed to have been set, Lee Paul, chief of the Mitchell Fire Department reported last night.

Both buildings were vacant and were scheduled to be razed to provide right-of-way for highway construction in the area.

### Paul said Mitchell firemen were called to the Diamond Inn about 10:30 p.m. Tuesday after the fire already had gained considerable headway. Flames had broken through the roof when firemen arrived.

### "Since it was to be torn down, we just let it burn," Paul said.

### The alarm at the White Swan building, Nameoki and Morrisson roads, was received at 3:30 p.m. yesterday. Paul said the blaze was in the basement in a pile of scrap lumber and easily was extinguished with little damage.

### He said firemen talked with witnesses at both fires who reported seeing a man who drove away in a car just before the fires broke out at both places.

### Both buildings were vacated to provide right-of-way for improvement of the Nameoki road-Maryville road crossing.

### Two brothers from Madison who are in the U. S. Marine Corps met for the first time in four years recently—on Hill 327 near DaNang, Vietnam.

### They are Sgt. Edgar R. Wilkins, 34, and Pfc. David Wilkins, 19, sons of Mrs. Meta C. Wilkins, 133 Grenier Homes.

### The two used the occasion to celebrate the sergeant's birthday after he learned that his younger brother was assigned to a unit near his own.

### Wilkins, close to completing his second tour of duty in Vietnam, enlisted in the service in 1962, while Pfc. Wilkins enlisted last September and arrived in Vietnam last month.

### Mrs. Wilkins has two other sons and three daughters at home. She said about one, who will be 18 in November, "I don't know if I can keep him out of the Marine Corps or not."

## Student Government Day Set By Madison Council

Student Government Day for Madison high school students will be held April 30 when students will be guests of Madison city officials. It was announced at a Madison city council meeting Tuesday night.

Tours of city facilities and operations will be conducted during the day when students elected to their positions will fill the seats of their official counterparts.

### A mock city council meeting will follow the regular meeting of the council that night.

### Mayor Stephen Maeras and other city officials are to discuss municipal government before the MHS government class at 1:15 p.m. Friday. William Coop is the MHS faculty sponsor.

### 177 Trees Planted

The mayor reported that 177

## Review Board Gets \$10 Day Hike

### Per Diem Set at \$40; Landolt Elected to 6th Term as Chairman

A \$10 per diem increase from \$30 to \$40 a day was voted for members of the Madison county board of review by the county board of supervisors before reorganization meeting Wednesday morning in Edwardsville. The mileage rate remained at 10 cents.

### The review board is composed of three members, including Harold Landolt, chairman of the review board, as chairman of the county board, William O. Hayes of Alton and Frank Kissel of Collinsville.

### The review board received an increase from \$25 to \$30 per diem last year. Board members generally work about six months a year conducting hearings and reviewing tax assessments.

### There was no discussion on the increase when it was proposed on the floor, and there were only two dissenting votes from board members generally at odds with the board chairman.

### Landolt Re-Elected

Landolt, meanwhile was elected to his sixth consecutive term as chairman of the county board of supervisors. He was unopposed and was elected by a vote of 17-0.

### He is a supervisor of Alton township where he conducts a meat packing business and currently is planning construction of a new slaughterhouse to meet state standards. His former opponent recently was elected by the state.

### Leslie Prenz served as temporary chairman for the reorganization and commented on the new tax committee's problems and achievements of the board.

### During the meeting the board authorized the legislation committee headed by Harry Briggs, Nameoki township supervisor, along with State Representative and Southern Illinois University-Southern Campus personnel, to conduct a study of the county's problems.

### Briggs reported that a bill is in the state legislative hopper which would change the county government or finance.

### Study Reappointment

During the meeting the board authorized the legislation committee headed by Harry Briggs, Nameoki township supervisor, along with State Representative and Southern Illinois University-Southern Campus personnel, to conduct a study of the county's problems.

### Briggs reported that a bill is in the state legislative hopper which would change the county government or finance.

## Demos Planning Major Rally Here

The Madison county primary election campaign for candidates backed by the Democratic organization will get underway Monday night with an "old-time political rally" in the American Legion Home at Venice. Walter T. "Buck" Simmons, chairman of the Madison County Democratic Central Committee, announced yesterday.

### Speakers will include State Auditor Michael Hewlett, a candidate for reelection to the Democratic state ticket; State Sen. Paul Simon of Troy, who is running for Illinois lieutenant governor, and Miss Fannie Jones of East St. Louis, Democratic candidate for Illinois Supreme Court clerk.

### Arrangements are being made to handle a crowd of 1200 persons, Simmons said. A number of candidates will be on hand as will State and Congressional district candidates. Precinct committeemen and state and county employees also have been invited to the rally.

### The meeting will start at 7 p.m.

### Simmons attended a regional Democratic meeting in Belleville yesterday with state and district candidates. Speakers included Mrs. Dorothy O'Brien, national Democratic committeewoman.

## Leases Old Hungarian Home

## Agency Plans Day Care Center for Handicapped Children

Establishment of a Day Care Center for handicapped children and teenagers who reside in the local area may shortly be realized through expansion of facilities and programs of Specialized Services, Inc., which operates the Tri-City Production Center, 2009 Madison avenue.

Acquisition of a second building—the Tri-City Hungarian Association Hall at 1801 Spruce street—in which it is planned to broaden present training program to include handicapped school-age persons, took place Monday evening at a meeting of Specialized Services' Tri-Cities Advisory Council at the home.

### Representatives of several local agencies also were present for the lease-signing ceremony, with John J. Kozar sr., president of the Hungarian Association, and Mrs. Eve Mendelsohn of Alton, board chairman of Specialized Services, Inc., playing the principal roles.

### Use of the two-story brick structure was donated to Specialized Services by the local association on a \$1-per-month lease basis, with an option to purchase the property at a later date.

### Milton M. Morris of Venice, Tri-Cities Advisory Council president, introduced Joseph Budde, executive director of Specialized Services, who brief-

# MORE ABOUT

## Review Board

government to nine districts with the election of nine district commissioners to replace the 49 township supervisors and assistants on the county board. He added that all nine seats could be from urban areas leaving rural areas without representation.

He proposed contacting other counties to combine ideas for the best method to redistrict the county and to gain forces against the proposed legislative bill. Briggs hoped that the state will await results of the 1970 census.

### Meet Reviewed

A review of a meeting of the steering committee with State Public Health Dept. officials held March 29 on the status of the county nursing home and tuberculosis sanatorium was made by Prehn.

He said the sanatorium, which now has only 15 patients, could easily be converted to a nursing home, and a separate TB clinic could be conducted, with transfer of bed-patients to a regional sanatorium. The current nursing home, with a capacity of 58 patients, will not meet state standards as such, but could be utilized as a sheltered care home.

The board designated the Madison County Economic Opportunity Commission as the community action agency for the county in accordance with federal regulations.

### Parks Report

Milton Allen, chairman of the new parks and recreation committee, said his committee has met once and emphasized that use of Alton state hospital grounds and Horseshoe lake is still being considered though the county now has no funds for the purpose. Briggs noted that federal matching funds up to 70% may be available for land acquisition.

Improvement plans for Federal Aid Primary Route 12 between Sand Prairie lane and Route 157 are to be submitted to the state highway division, according to a highway resolution adopted.

The board approved a resolution allocating \$10,226 as the county share of the cost of a tri-county study for refuse disposal to be conducted by the Southwestern Illinois Metropolitan Area Plan Commission.

Title insurance for all but five acres of TB sanatorium property was purchased for \$100 the firm of O'Neill & O'Neill, which last month insured five acres for the new detention home on a low bid of \$800.

### HUD Conference

The board was invited by the Housing & Urban Development regional office to a midwestern meeting April 28-30 in Peoria to outline federal funds available to counties.

It was announced that a zone meeting of supervisors will be held at 10 a.m. May 4 at the Roundtable restaurant near Collinsville to discuss reappointment.

## MORE ABOUT Agency Plans

ly explained the purpose of the organization.

Robert E. Geller, staff administrator for professional services, and Miss Betty Franklin, who heads the Alton Day Care Center, discussed the day care program. Slides showing training and rehabilitation techniques at the Alton center were shown.

Others addressing the group,

included Granite City School Supt. B. J. Davis and Maxine Chambers, director of the School of Nursing at Southern Illinois University-Southwestern campus.

She said 40 public health nurses will shortly be graduated from SIU-SW and expressed the hope that many can be retained in Madison county by finding employment with area agencies.

Morris told the Press-Record that the Tri-Cities Council hopes to coordinate a program of activity and training with the three local school districts.

"We envision using the new facility for training projects geared to the schoolage individual. It is possible that handicapped teenage youngsters could attend special education classes in the school districts and training programs at the new center, each on a part-time basis," the advisory council president said.

Morris said the Spruce street building contains about 8000

square feet of floor space and has an adjacent, vacant lot which would make an outdoor play area or provide space for future expansion.

He pointed out the structure is basically in "good shape, with little remodeling needed for the programs proposed." Several ramps will be constructed to accommodate those who use wheelchairs and the interior will be repainted, he said.

### Hope for Volunteers

"Once the program gets rolling, we hope that a group of volunteer women, such as St. Elizabeth Hospital's Pink Ladies, will offer their services to help with the children who attend the center," Morris commented. He added, "In a program such as proposed, a one-to-one relationship is required to assist the participating youngsters."

The council officer noted that Specialized Services has about 60 professional people in Madison county, who serve as counselors, instructors, evaluators and in other capacities.

Other special guests at Monday's meeting, included Donn Hornberger, Illinois Youth Commission; Rudolph Kramer, Kirkpatrick Homes Improvement Association; Dr. Raymond E. Troyer, SIU-SW and Granite City Optimist Club; Arthur Koepfer, St. Elizabeth Parish and Granite City Rotary Club; Mary Fisker, Quad-City Mental Health Center; Michael J. Long, Department of Public Aid, Madison county office; Helen M. DeKuntz and Mrs. Evelyn Gavin, Granite City Association for the Retarded; Milton R. Allen, Madison County Board of Supervisors; Col. 19TH & STATE GRANITE CITY

### Council Votes First Reading For Service Tax

Another try for the three-fourths of 1% municipal service occupation tax is being made by the Granite City council.

The ordinance, prepared by City Atty. Richard Allen from data supplied by the state Department of Revenue to cover "all tangible personal property transferred by service men," was placed on first reading.

The aldermen, who voted an 8-8 tie for first reading, called for a detailed listing of the service occupations to be covered. Mayor Partney voted to break the tie and place the bill on first reading.

A notice had been received from the state, that if the ordinance was adopted immediately, the added tax collection could start May 1. However, the council action would result in a delay. A similar law was adopted in Venice on April 15.

Debate was held for several minutes. Councilman J. J. Nomm complained the tax would cause a hardship for persons on limited income if it included medicine.

City Atty. Allen said he would get a listing and submit it to the council. "I put the law on the table because I thought you would want to start it by May 1 since the city is in such dire need of money," he explained. The tax would be paid by the service men to the state revenue department, which would distribute it to the municipality.

The earlier municipal service tax law, adopted last June by the city, followed the state legislature's which was declared unconstitutional by the state supreme court because it applied to only four categories of business.

Voting for first reading were Aldermen Dallas, Moerlein, Whitmer, Green, Rutledge, Basarich, Fry and Partney. Opposed were Bartalski, Boyd, Poulos, Nomm, Jarrett, Robertson, Dawes and Johnson.

Voted down by the council was an amendment to the ordinance setting a \$100-a-month salary for the deputy civil defense director, David John, to change it to a \$100-a-month expense allowance.

The deputy CD director has been receiving a salary, but because of changes in personnel on the state level, has been unable to take the qualifying tests that are required to secure federal funds. "It's not his fault," Alderman Rutledge pointed out. "There's just no money to pay for the test."

We should make some provision since he does use his car to conduct civil defense business on almost a daily basis.

Objecting aldermen said the civil defense operation was getting expensive. Rutledge replied that 50% of the cost is paid by the federal government, but that in this instance the city is hamstrung because of the problems at the state level. The amendment was voted down 6-10.

Alderman Dawes reported that he was receiving complaints that vegetable hucksters were parking their trucks in the vicinity of local markets and asked if all are licensed by the city and paying sales tax. A study of the complaint is to be made.

**GOV. KERNER** (left) launching the drive for approval of the proposed state Constitutional Convention in the November general election. With him, left to right—Kingman Douglass Jr., Chicago investment banker; William Kuhfuss, president of the Illinois Agricultural Association; Mrs. V. J. Brazier, president-elect, Illinois Congress of Parents & Teachers; William D. Stuehl, Illinois Constitution Study Commission, and Prof. George T. Wilkins, SIU-SW.

### Kerner Opens 'Con-Con' Vote Campaign

"The future growth and development of Illinois will depend upon getting a flexible state constitution," Gov. Otto Kerner said at Springfield Tuesday.

Gov. Kerner officially kicked off the campaign to seek voter approval next November for the proposed state constitutional convention which was approved overwhelmingly by the Illinois General Assembly last year.

"Now is not the time to talk about what should or should not be changed in the present constitution. That will be up to the constitutional convention delegates. We must take first things first—get voter authorization for a convention that can work on needed changes," Kerner said.

More than 70 of the state's leading officials, including heads of various professional, business, labor, agriculture, and civic organizations, attended the Con-Con kickoff in the Executive Mansion. Kerner pointed out that the present constitution was written back in 1870 when the economy of the state was predominantly agricultural. He said it is not geared to modern-day financial and business conditions.

"Our antiquated constitution is lethargic and unwieldy when it comes to allowing government to deal with modern problems," Kerner said.

Twice as Long as U. S.  
Pointing out that the Illinois Constitution is 2½ times longer than the federal constitution, Kerner said its provisions—especially those involving revenue—are too inflexible.

"I don't know how much longer we can bend the interpretation of our constitution without breaking it," Kerner added. The constitutional convention campaign has the endorsement and active support of more than 30 state-wide labor, agricultural, business, educational and civic organizations.

Speaking on behalf of Con-Con today, Paul Giblin of the United Auto Workers, Chicago, said: "We don't fear the future. We're going to do everything we can to help bring Illinois into the 20th Century."

Mrs. Raymond Robertson, Hinsdale, secretary of the Illinois Committee for Constitutional Convention and state president of the League of Women Voters, said the league has been working for public acceptance of the present Con-Con proposal since last July.

Strong bipartisan support for Con-Con was voiced by Lt. Gov. Samuel Shapiro, a Democrat, and State Supl. of Public Instruction Ray Page, a Republican. Both men indicated their personal commitments to a constitutional convention.

Appearing also on the program were campaign co-chairman Kingman Douglass Jr., a Chicago investment banker, and William J. Kuhfuss, president of the Illinois Agricultural Association. Samuel W. Witmer, long-time advocate of constitutional reform, and Wayne Stankin, executive secretary of the Illinois Education Association, also spoke briefly on behalf of Con-Con.

Mr. Krieshok was a member of St. Mary's Roman Catholic Church, St. Mary's Booster Club, the William Penn Society, Madison City Organization, the First Catholic Slovak Union, Branch 408, and United Steelworkers of America Local 67.

He is survived by his wife, Mrs. Mary (Sebescak) Krieshok; one son, Richard Krieshok, a member of the Madison police department; three daughters, Mrs. Carl (Marcelly) Spir of Granite City and Misses Dolores and Vickie Krieshok, both at home; three brothers, Joseph Krieshok of Collinsville, John Krieshok of Antioch, Ill., and Andrew Krieshok of St. Louis; and five grandchildren.

A brother, Steve Krieshok, preceded him in death. Joint funeral services will be held Friday for Mr. Krieshok and his mother-in-law, Mrs. Catherine Sebescak, 75, of 3144 Carlson avenue, who died Monday. Arrangements are given in today's obituary column.

**License Charge Filed**

Franklin D. Ingram, 2111 Lincoln avenue, was arrested by police at Niedringhaus and Madison avenues at 9 p.m. Tuesday on a charge of driving with a driver's license suspended and driving with an improper muffler. Hearing was set for April 30.

### Mill's Red Smoke Yesterday Caused By Faulty Valve

Faulty operation of a valve in electrostatic precipitators that eliminates "red smoke" pollutants from stacks of the Granite City Steel Co. resulted yesterday about 11:20 a.m. in emission of heavy smoke from one stack that hung low in the air and extended as far north as the senior high school building.

A plant spokesman said that a crew of technicians began work on the problem early yesterday and that as soon as the valve could be opened the emissions would be eliminated.

Numerous complaints of the smoke emissions were made. The Electrostatic precipitators were installed by the firm at a cost of more than \$3 millions to absorb particulate pollutants from the plant's new basic oxygen furnaces, which substantially reduce the amount of steel production.

**Particulate Coat Auto**

One complainant, Emmert Toney of Rural Route One, said he was driving along 20th street near Omaha street when a thick cloud of red particles coated his car and windshield, soiled the left arm of his shirt and covered his left hand with dark blotches.

A complaint was made by a woman in the vicinity of the high school who said the red smoke was hanging low and "is bad" in the high school area.

The company spokesman said that many of the complaints in areas near the plant, prior to yesterday, actually result from heavy winds picking up the red dust removed from the precipitators and placed in the trucks for removal from the plant.

"This is giving up a real problem and we are experimenting in a number of ways to eliminate this problem," he said.

**Try Several Methods**

He said construction of plant enclosures and windbreaks are among possible solutions and that both are being tried.

"We have had quite a few windy days recently, and the dust removed from the precipitators is of a texture even finer than talcum powder. It doesn't come out of the units in chunks, it comes out as this fine and loading. It into the air and moral results in much of it being blown throughout the area," he said.

At first our major problem was driving the stuff away from the plant, until we tried covering the loaded trucks with tarpaulins. It blew all over as the truck moved. Now we are trying other ideas and we expect to eventually lick the entire problem."

## MORE ABOUT Car Thefts

on a Granite City lot after 11 p.m. Wednesday.

Earl Odum, 3009 Marshall avenue, reported at 6:30 a.m. Tuesday that someone stole a pair of tires and wheels from his 1965 auto while it was parked at his home after 10 p.m. Monday.

## \$1700 In Brass Stolen

Approximately 6000 pounds of brass journals with a value of \$1700 were stolen Monday night or early Tuesday from the yard of Hyman-Michaels Metal Co. in Venice, according to a report to Venice police at 5:45 a.m. Tuesday.

Thieves used a jack to lift a large metal ladle under which the brass was stored, and apparently hauled away the journals in a pickup truck.

About 300 feet of copper cable valued at \$300 and the grounding wire from a welding machine were stolen from the Fox Brothers plant at West Madison Monday or Tuesday night, according to a report to Venice police at 12:30 p.m. yesterday.

Also taken was an undetermined amount of old brass and copper fire extinguishers. Police said tracks indicated the cable was dragged out of the plant and through a weed patch near the building.

## Auto Equipment Stolen

Four carburetors, a clutch and two generators, all for foreign autos, were stolen from the Granite City Foreign Car Service, 1300 Edwardsville road during business hours Monday, it was reported at 5:35 p.m. Wednesday by David Clark, owner.

Two hand saws, a plane, an electric saw, a paint brush and a box of tools were stolen from the garage at the home of George Kuzma, 2624 Hodges avenue, reported Monday. The time of the theft was undetermined.

A white gold solitaire diamond ring valued at \$800 was stolen from the bedroom at the home of Sharon Perjak, 2258 Cleveland Blvd., after last Friday, she reported at 7:35 a.m. today.

## Topcoat Stolen

Larry Keshner of Alton reported that a brown plaid all-weather topcoat was stolen from his auto while it was parked in the 2000 block of Edwardsville between 9 a.m. and noon Wednesday.

Mannie Brunich of Ferro Pedersen Corp., East 21st and Omaha streets, reported at 8:25 a.m. today that a window air conditioner was stolen during the night.

Mrs. John Adams, 4301 Willow lane, reported at 5:30 p.m. today to the sheriff's office that the motor was stolen from her lawn mower at an undetermined time.

## Possible Break-In

A window was broken out of New Logan school Tuesday night or early yesterday morning and the building possibly was entered, it was reported to police at 7:10 a.m. yesterday by Floyd Farley, custodian. The window was broken out of the north side of the building, but nothing was disturbed and nothing missing, Farley reported.

Ula Williams, 1100 Calhoun street, Venice, reported to police at 5 p.m. Monday that her home had been entered and a portable record player stolen. She said the rear door was left unlocked when she went to work.

Customers at Curt's grill, 1500 Madison avenue, ordered \$5.30 worth of food, then grabbed the orders and ran off without paying for it. It was reported at 9:15 p.m. Monday.

Theft of a \$20 public aid check from her mailbox was reported to Venice police yesterday afternoon by Lucy Wiles, 21 Lee Wright Homes, Venice. Police reported the check was recovered a short time later by a man who said several small boys tried to cash it. Police were trying to check identity of the youngsters.

## Value of Summer Camping for Non-Scouts is Cited

Expanded federal and private efforts to extend Boy Scout camping to disadvantaged boys as well as those in more affluent areas were outlined to Madison Rotarians yesterday by Col. Charles E. Hoskin III, commanding officer of the Calhoun Round Council.

Granite City Army Depot commanding officer and vice chairman of the Federal Executive Board of St. Louis, Col. Hoskin said funds are being sought from area service organizations to aid in sending between 125 and 200 youths, most of them non-Scouts, to Camp Sunnen, Potsdam, Mo., this summer.

Last year, 108 youths, including 40 non-Scouts, attended Camp Sunnen and were able to gain many benefits from the experience, Col. Hoskin said.

## Man later became scouts.

Nationally, 748,000 boys attended 842 scout camps last year, including 25,000 disadvantaged (14,500 non-Scouts and 10,500 Scouts), the club was told. The goal this year is 50,000 boys whose camping will be financed from public and organizational sources.

From families or troop treasuries. President Harvey Miller presided at the meeting.

A dinner for installation of club officers was set for June 19 at the Round Table.

## GSI to Market Japanese Air Rail Springs

General Steel Industries, Inc., Granite City has become the exclusive sales agent in the United States for the Japanese air rail springs for railway equipment, W. Ashley Gray, GSI president, announced today.

Cambridge is a diaphragm type air spring having the rubber bellows in contact with the vertical walls of both the upper and lower reservoirs, requiring less total space than the conventional type air spring. This affords greater flexibility in railway truck design and provides superior resistance to lateral motion.

Gray said this spring, which is produced by Sumitomo Metal Industries, Inc., of Osaka, Japan, will now be available on trucks designed by General Steel Industries and is especially suitable for GSI's design of General 70 trucks which feature high and wide spring locations, using Sumitomo springs are the high-speed Tokaido line trains in Japan, between Tokyo and Osaka.

On a non-exclusive basis, GSI will market the Japanese springs in Brazil, Portugal, Spain, Great Britain and Belgium.

## Rabies Shots April 30 In Chouteau Township

Anti-rabies shots for dogs in Chouteau township will be given on Tuesday, April 30, from 5 p.m. to 8 p.m. at the Greenway Village shopping center on East Chain of Rocks road next to the Mitchell post office.

The location, an incomplete store building, is the same as last year, Chouteau Supervisor Walter Sparks said. The shots by Dr. Joseph Helms, veterinarian, will cost \$3. Sponsor is the Madison County Rabies Control Commission.

## Passing Charge Filed

Pat E. Mattman, 2229 Alexander street, was ticketed on a charge of improper passing at 4:45 p.m. Wednesday at 27th street and Madison avenue.

## General Steel Sales and Earnings Up for Quarter

General Steel Industries, Inc., today reported consolidated net sales of \$27,131,228 in the three months ended March 31, 1968, with earnings for the period of \$1,100,183, after taxes, equal to 47 cents per share.

This compares with first quarter sales of \$23,211,410 and earnings of \$825,481, or 40 cents per share, in 1967, W. Ashley Gray Jr., president, announced today. The backlog of orders on March 31 was \$113,629,000 compared with \$88,500,000 a year ago, he said.

"Improved earnings in the first quarter were about as we anticipated and indicated in earlier reports to shareholders. We continue to anticipate improved earnings for the year and expect that each quarter

## will show improvement over last year," Gray said.

At the annual meeting held here, shareholders approved an amendment of the certificate of incorporation eliminating cumulative voting in electing directors. The amended provisions assure the representation of the best interest of all shareholders because each director will be elected by a majority vote of the owners of the outstanding shares, Gray said.

Shareholders also ratified modernized by-laws for the corporation and re-elected all present directors of the company, and directors declared a dividend of 30 cents per share on the common stock, payable June 29, to shareholders of record June 14.

## Set Inspection, Licensing of Garbage Trucks

Additional enforcement of terms of the Madison county sanitation ordinance will be launched by the Sanitation committee of the Madison county board of supervisors with an on-site inspection of all vehicles used in hauling garbage, trash and refuse. The inspection will get under way May 6.

The inspection will be held to assess licensing fees under the ordinance, as follows:

Registration for state of Illinois vehicles, \$5 inspection fee and \$5 licensing fee; registration of out-of-state vehicles, \$100 for each vehicle. The inspection and licensing charges are to be paid at the site of inspection.

On-site inspections are scheduled at various locations at times arranged for the convenience of haulers who consistently patronize the major landfills, according to Jack R. Clifford, Madison county sanitation officer.

Clifford said the inspections are scheduled as follows:

## 1st-Place GC Tennis Squad Wins Shutout

The Granite City high school tennis team remained in first place in the Southwest Conference Wednesday afternoon by defeating Collinsville 5-0 at the Kahoks' home courts.

The Warriors are now 5-0 for the year and this was the 23rd straight win for the squad.

Winning singles matches were John VanBuskirk 6-0, 6-2, Norman Pomarkoff 6-1, 6-2, and Mike Lofus 6-1, 6-0.

Doubles winners were Bill Harris and Louis Mehl 6-1, 3-6, 6-1 and Mike Welsch and Keith Nagy 6-1, 6-0.

The Warriors will play their next meet tomorrow at 4 p.m. at Alton. It was rescheduled from April 4, when it was rained out.

## Mad Postpones Three Baseball Tills Tuesday

A Southwest Conference baseball pairing of the Granite City high school Warriors and East St. Louis Flyers had to be postponed here Tuesday afternoon because of muddy fields. No new date has been set.

A sophomore baseball game also scheduled here with the Flyers was postponed, as was a junior high school baseball game between Praction and visiting Freeburg Tuesday.

## Ford First in Hurdles; MHS Trackmen Lose

Cahokia defeated the Madison high school track team 84½-42½ Tuesday afternoon at the Comanches' track.

Vann Ford won first place in low hurdles and tied for first in high hurdles. Jim Stout was third in high hurdles and second in pole vault.

Tecumseh Holmes placed 2nd in the 440-yard dash. Alonzo Watts was third in the mile run. Fred Franklin second in the 880-yard run. George Tys second in the 220-yard dash and Don Turner second in the long jump.

Larry Mosby was third in the long jump. John Harper third in the discus and shot put and Terry Steward third in the latter two events.

The Trojans will compete today at 4 p.m. in a Dupo tri-annual meet.

## Warrior Sophs Held To One Hit, Lose 3-2

The Collinsville sophomore baseball team edged GCBS 3-2 here Wednesday afternoon in eight innings. The Warriors were held to one hit by Don Haddix suffered the loss after pitching the entire game, allowed five hits. There were two unearned runs by the Kahoks.

## Stock Cars on Display Saturday; Races April 26

The Tri-City Speedway, 5100 Namekik road, will hold open house and "camera day" in conjunction with the Central Auto Racing Association at 1 p.m. Saturday.

It will be one more week before racing competition will begin. CARA late model stock cars will be featured starting Friday night, April 26.

The cars will be positioned so that pictures can be taken. There will also be a few midjet autos on display.

This is the first year that the local speedway has been sanctioned by the Central Association, which features the same type of cars that race in the Daytona 500.

Racing programs during 1968 also will include one sanctioned by the International Midjet Car Association and three sanctioned by the United States Auto Club.

## Strong Local Squads Await Opening Inter-City Games

The Southwest Illinois Inter-City League is a 16-team baseball league's 1968 season, its 38th, will commence Sunday afternoon, with the Quad-Cities represented by two of the eight teams.

Granite City Steel Credit Union will host the Troy Red Birds at 2 p.m. Sunday at Wilson Park Diamond No. 1.

Mercer Funeral Home of Granite City will visit the Polish-American War Veterans at Jones Park Diamond No. 1, East St. Louis; East Alton Manichists will visit the Maryville Red Sox; and Collinsville Mollers will play the Braves at Pocatamos.

Credit Union is managed by Ralph Richter and Mercer's by Adrian Rains.

Mercer's team this season will include many of the players on its roster last year, plus some of those who played for the team in 1967.

The Hearts were active in the league continuously since 1966 until dropping out this season.

Home Games at Park. Wilson Park Diamond No. 1 will be the scene of the home games of both the Credit Union and Mercer squads.

Mollor Motors will play its home games at Fletcher Field. Troy will play at the Moonlight Diamond on East U.S. 40; and East Alton will play its home games on the East Alton playgrounds diamond.

Playing for Credit Union this season will be Larry Anderson first base, Shyles Anderson shortstop, Barry Sykes third base, Richard Reuthebach in field, Nick Podoba outfield, Harris pitcher, Rick Whittell pitcher, Terry Turner second base, Nick Pettello outfield, Russell Peters infield, Ray Hankins catcher, Larry Harmon pitcher, Gary Willard, Larry Jones pitcher, Joe Fanning third base and Arvil Taylor pitcher.

George Skees and Phillip Sykes will be coaches.

Jones, Campbell to Pitch. Manager Richter told the Press-Record, "I expect to have a good club this year. We are going to be leaning pretty heavily on Jones and another pitcher, Jim Campbell, who will be joining us in June."

Both have been asked to try out for the Cardinals in the middle weeks of June.

Among the major league players produced by the Inter-City League is Dal Maxvill, former Granite City, a former Sacred Heart player who is now the regular shortstop for the world champion St. Louis Cardinals.

Rains, like Richter, expects to add college players, who are not allowed to sign until their season is over.

Mercer Roster. For Mercer, Larry Corey will play first base, Dave Sparks second base, Harold Tankless shortstop, Bob Finke catch, Jim Rains pitcher, Bill Rexie, Roger Logan and Steve Shandman outfield, John Corrie and Tommy Barrett infield, Greg Wasyk pitcher, Charles Johannek pitcher, Vic Buehler catcher and Manager Rains, in field.

At the present time we are pretty well stacked at all positions except for pitchers. That is our biggest need, and pitchers I am mostly interested in signing now," Rains commented.

He expects to have a powerful and well-rounded team with the virtual merger of the two clubs.

Bill Miller of Granite City is president of the league, a post held for 30 years by the late Vernon Lucas, and for seven years, 1946-50 and 1966-67, by Henry Huser.

## Rally Defeats Kahoks; GCBS in Tie for First

Bob Levey doubled in the winning run in the fourth inning as the Warriors' baseball team edged the Collinsville Kahoks 4-3 at the Warriors field Wednesday afternoon.

## Narrow Golf Win for GCBS

GCBS golfers slipped past Collinsville 148-148 Wednesday afternoon at the Kahoks' home course, but they ended up with a season record to 5-1. The Warrior team also has placed second in a Granite City invitational meet.

Highlighting the match were ten Warrior birdies.

Chip Green shot a score of 37 and birdied holes two, five and seven. Herman Schermer also shot 37 and birdied holes two and four.

Ron Sheppard shot 38 and birdied holes one, three and five. Earl Anderson birdied holes five and six with a score of 41. And Tim Schwendeman scored 39 and birdied hole number five.

Dan Jenkins and Larry Knox each had scores of 41. Coach Harry Lane said, "It was holes two and five that won the meet for us. The boys did well in these holes. All parred or birdied them."

Par for the course is 35.

# 64 Teams Signed for 8th GC Park Baseball Season Opening May 13

The Granite City park district boys' baseball program, which was preceded by Dr. Leo Coleman-Khoury and Granite City Police leagues, will officially start its eighth season May 13.

The annual baseball parade is scheduled to take place May 18, starting at 24th street and Madison avenue and proceeding to Wilson Park Diamond No. One.

The parade will include all the boys who will be playing in this year's program, plus city and park officials and the Granite City high school band.

**Nearly 1000 Players**

An estimated 64 to 70 teams will compete this year, a slight increase over last year. With each team carrying no less than 13 boys on its roster and no more than 15, 832 to 1050 boys will be in the program.

The boys are divided into five age groups—Atom 8-9, Banham 10-11, Midget 12-13, Juvenile 14-15 and Junior 16-17.

These divisions are then broken down into first-year and second-year teams.

**Maxvill, Parker League**

Competing in the First-Year Atom Division, Dal Maxvill League, will be the Elks, managed by Bob Patrick, Cubs Dave Perlee, Gas Pumps No. Two Lloyd Watts, Mexican Honorary Commission Abel Valencia, B and E Little Sticks Tom Baker, Tri City Cus Center Bill Barton, E. J. Miller Red Birds Bill Lehmann and Cardinals, Tom Modgin.

Second Year Atom (Sally Parker League) will be Eagles,

managed by Lyle Temple, Tri-angel Heating Norm Mahl, Cubs Jack Hood, Sacred Heart Eagles Charles Mucha, Francis Agency Frank Laub and Red Birds, Ray Schultz.

**First Year Banham** (Larry Schober League) will be Leo Wolf Construction, managed by Pete Burdge, Comfort Heating John McCoutry, Red Barn Robert Modlin, Fun 'n Sun Cards Vern Cain and Merle McDaniel, Gas Pumps Stan Kwiatkowski and Pelek Braves, managed by Al Crawford.

**Second Year Banham** (Owen Friend League) will be Dugan Sods, managed by Harold Davis and Bob Kurilla, Vesel Service Station Jerry Harper, Eagles Jerry Frost, Paul Seebold Concrete Charles Holmes, Ian Chris Von Nida and B&E Lumberbacks, Joe Hauptman.

**Four 12-13 Leagues**

Midget One (Jim Holland League) will be Orphans, managed by Joe Hahn, Burger Chef Fred Hiller, Houser Auto Francis Prygoski, State Radio Walter Bruch and Bert's Chuck Wagon, Don Hasty.

Midget One (Police League) squads will be James Electronics Micros, managed by Jim Converse, Maryland Bi-Rite Ray Hoffman, Tony's Tires Tony Doneff, L and W Movers Charles Bruton and Comets, Bob Odum.

Midget Two (Smoky Padgett Red Division) teams will be Twi-light Optimists, managed by Bill Doser, Pirates Norm Martinez, Burn's Cafeteria Cubs

**Midget Two (Smoky Padgett Blue Division)** teams will be Red Birds, managed by Bob Walkenbach, Maryland Bi-Rite Pets Paul Fraley, Eagles Gene Reinhardt, Belmore Toy Tom Byrne and State Loan and Savings, managed by Cyril Johnson.

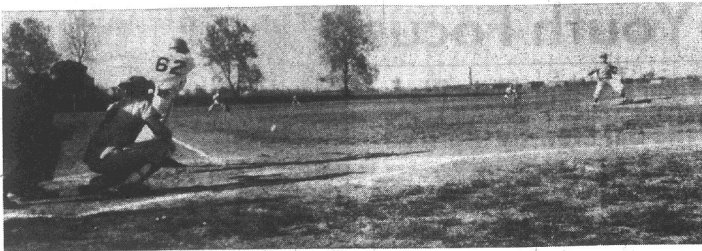

**Juvenile, Junior Teams**

Juvenile One (Slim Culpen Red Division) entries will be Local 30, managed by Lewis Keniston, U. S. Colls Lennie Keel, Gasparovic-Worthern managed by Andrew Gasparovic and Nick Worthen, and Kiwanis Jerry Duncan.

Juvenile One (Slim Culpen Blue Division) teams will be Triangle Heating Pirates, managed by A. J. Powderly, VFW Hawks Charles Mudd, Mathews Chevilles Harold Link and Mitchell A.C. Mel Simpson.

Juvenile Two Division teams will be Grand Cafe, managed by Jack Mitchell, Hornets Ray Smith, Mustangs Hank Foster and Loren Worthen, Eagles Gene Reinhardt, Clean Craft Falcons George Adam and W. T. Grant's Cobras, managed by Ralph Pabst.

**Junior Division** teams will be Bloodworth Realty, managed by Harold Bolton, Eagles managed by Gordon Wilkins, Davis Funeral Home managed by F. A. Farrington and Barker Trucking, managed by Frank Melchior.

**SINGLING FOR TROJANS** is John Ervin in action against Midwestern Conference rival Cahokia Monday afternoon at the Madison field. Ervin had

a perfect day at bat, hitting three for three, including three RBIs. The Trojans won 6-4. The pitcher is Joseph Schrader and the catcher is Frank Carter.

## Trojan Baseball Team Divides League Games

The Madison high school Trojans split baseball decisions this week, topping Cahokia here Monday afternoon 6-4 and bowing at Dupu Wednesday afternoon, 3-2. Both were Midwestern Conference pairings.

Madison and Cahokia each scored two runs in the first inning. The Trojans scored three more in the second and one in the fourth to wrap it up; Cahokia scored its other runs in the third and sixth.

Singles by John Ervin and Don Bunk combined with two Comanche errors accounted for the first-inning runs.

With the bases loaded in the second inning, Ervin tripled, sending home the three runners. Jim Scott tripled in the fourth inning and scored on a single by John Harper.

Doug DeRosier started for the Trojans but had trouble getting the ball across the plate in the third. Larry Witkiewicz relieved until the sixth inning, and Bunk finished the game.

It was the first conference loss for the Comanches.

**Lineup Revised**

Coach Lawrence Burns had shaken up the Trojan lineup. Only two players were in position.

Ervin had a perfect day at bat, hitting three for three, including three RBIs. The Trojans won 6-4. The pitcher is Joseph Schrader and the catcher is Frank Carter.

## Bowlletes League Names Officers for 1968-69

A meeting of the Bowland bowlletes league was held Tuesday evening for election of officers for the 1968-69 season. Those re-elected were Mrs. Ann Riecken, president, Mrs. Inez Dyer, secretary-treasurer, and Miss Carmen Becerra, sergeant-at-arms.

Mrs. Jerry Rill was elected vice-president, succeeding Mrs. Kate Grammer. Members discussed a week-long competition which will be held April 30 and a banquet to be held at the Flaming Pit on May 7, when the season will be concluded. The officers will take office in August.

## Two Hubcaps Stolen

Leona Baines, 2625 Hodges avenue, reported at 11:30 a.m. Wednesday that two hubcaps were stolen from her 1966 auto while it was parked on the lot at St. Elizabeth Hospital on Tuesday.

## Busen Sunday to Camp Sunmen for Dedication

A large turnout of Quad-City families—scouts and scouters—is being sought at the dedication of a plaque honoring Joseph Sunmen at Camp Sunmen near Potosi, Mo., at 12:30 p.m. Sunday.

The Cahokia Mound Boy Scout Council has arranged bus transportation to the camp, leaving at 9:30 a.m. Sunday from in front of the Granite City Trust and Savings Bank. The buses will return at about 5 p.m. A buffet dinner will be served at the camp for those taking the buses and also those driving to the camp. Those planning to eat are to notify the council office.

Highlights of the day also will include a camp tour and a monthly meeting of the council executive board.

The plaque has been permanently installed near the entrance to the camp. Sunmen in 1892 made a 300-acre area available to the local council, which has developed extensive camp facilities.

## U. S. Civil Service Interviews Set April 23, SIU-SW

Representatives of the U. S. Civil Service Commission will be on Southern Illinois University-Southwestern campus Tuesday, April 23, from 9 a.m. to 5 p.m. to interview persons interested in federal careers.

According to David Van Horn, assistant director of University Placement Services, the commission is interested in college graduates or degree candidates with liberal arts, social science, business, or technical degree backgrounds.

On Saturday, April 27, the commission will administer the federal service entry examination at SIU-SW. About 2½ hours in length, the examination is the first step for the majority of U. S. Civil Service positions. Van Horn said. "The management intern examination also will be administered to those who wish to take it. However, Van Horn pointed out, individuals must take the federal service entry examination to be eligible for the management intern examination."

Those interested in talking with the commission representatives should telephone or visit the University Placement Services no later than Monday, April 22. Persons wishing to take one of the exams should advise the Placement office no later than Thursday, April 25.

University Placement Services is located on the top floor of the Lovejoy Memorial Library at SIU-SW. The telephone number is (618) 692-2800.

## Venice Senior Class Play, 'The Big Blow-Up' April 26

By SUSIE STERN  
of Venice High School

The senior class of Venice high school will present a play, "The Big Blow-Up," on Friday, April 26, at 8 p.m. in the school gymnasium. The three-act comedy was written by Robert St. Clair and is under the direction of Miss Irene Hacklett.

The cast includes Bob Young as Mugby Morris, Sandra Dubois as Ellen Parker, Russell Turner as Beans Parker, Kathy Daniels as Katie Lee, Stanley Williams as Terry King, Jean Szevitz as Cora Johnson, Julie Mesban as Melinda Hanks, Pat Sitton as Sandra Field, Lenny Scaturro as Douglas Blake, Kathy Pace as Margot Richards, Larry Punt as Mr. Field, and Linda Marcus as Mrs. Fields.

Tickets may be purchased from any senior for \$1.00 for adults and high school students and 50 cents for grade school students.

**Student Council Week**  
The week of April 22 to 26 will be Student Council Week. Tentative plans for each day have been made beginning with Monday which will be termed, School Color Day, when all the students will wear the colors of red and white.

Tuesday is to be "Hippie Day." If approved, all students will be able to attend school dressed as hippies. Sweathirts, slacks and shorts will be the suggested clothing.

Wednesday, Student Government Day. Students will be elected on Monday to fill the positions of the city officials. These students will then spend the day being familiarized with

the duties of the offices. The only requirement to be elected is the student must be a senior. Thursday, "Hush and Slave Day." "Hush Day" will begin with each girl receiving one hush card. She must give her card to the first boy who gets her to talk to him and at the end of the day the boy whose name appears on the largest number of hush cards will be crowned "Mr. Irresistible."

Slave Day will be observed when each student council member will be auctioned off to a teacher Tuesday night after school. They must do the chores assigned by that teacher for the day.

Friday will conclude the week with the topic "Dress Up Day and Student Teacher Day." Each student on this day is expected to attend school neatly dressed, and for Student Teacher Day, a student will be elected in each class to serve as the teacher for the day.

**New Del Rays to Play  
At Teen Town Dance**  
The New Del Rays rock-and-roll combo will be featured at the YMCA Teen Town dance Saturday night, Chuck Hasse, youth director, announced.

The band has been playing regularly at the Collinsville park ballroom on Friday evening. It will be making its second appearance at the "Y." The last appearance of the group drew more than 600 teenagers.

The Mosburg Shotgun will be on the bandstand the following Saturday night.

## Double Installation for DeMolays Tuesday

Charles "Chuck" Hileman was installed as master councilor of Granite City Chapter, Order of DeMolay, in a public ceremony Tuesday evening at the Masonic Temple.

Other senior officers installed were L. Keith Danner, senior councilor; Randy Fowler, junior councilor; Joseph Vaughn, chaplain; Stephen Hileman, treasurer; Dwayne Pritchett, scribe; Kyle Tarpoft, senior deacon; Tim Noud, junior deacon; Danny Taylor, senior steward; William Watson, junior steward; Robert Epping, sentinel; L. Kirk Danner, standard bearer; Keith Mercer, at-large; David Thomas, marshal; Bruce Hawkins, orator; Steven Ebrecht, Michael Few, Michael Johnson, Paul Boyer, Michael Norton, John Tolbert, Dale Jones, preceptors; and Ronald Ebrecht, organist.

Michael Fulkerson and Michael Goch served as proteoms for Michael Johnson and Dale Jones, who were unable to attend.

Hiram Abels was installed as master councilor in the Junior Line of officers, together with Michael Vorce, senior councilor; Daniel Bernish, junior councilor; Steven Mendor, chaplain; David Smith, treasurer; Lynn D. Jones, scribe; William Kee, senior deacon; George Dorste, junior deacon; David Watkins, senior steward; Max Merz, III, junior steward; Gregory Lux, sentinel; Roger Miller, standard bearer; Michael Clay, almoner; Chester Dean, marshal; James Parnley, orator; Wallace Todd, Terry Talley, Carl Earls, Charles Collett, Bruce Van Meter, C. Ronald Kinworthy and Bruce Baumberger, preceptors.

The Granite City Court of Chevaliers conducted the installation ceremony. Members of the installing team were

George Slattery, installing officer; Gilbert Watson, installing senior councilor; Roy L. Wilimzig Jr., installing junior councilor; Robert Ebrecht, installing senior deacon; Ellis Hackney Jr., installing marshal; J. On "Reggie" Teague, installing chaplain.

Job's Daughters Bethel 43, led by Debbie Teller, honored queen, assisted in the installation. James Fitzpatrick, retiring master councilor, sang a solo, accompanied by Miss Janet Young, and during the installation for the junior councilor and the chaplain the Bethel Choir sang accompanied by Miss Beth Ann Ledbetter, who also played the organ for the installation marching.

Mrs. Hilda Few, president of the Mother's Club, introduced her officers and members. She was presented with an orchid by the master councilor and the Mothers Club members were given a standing ovation by the DeMolays.

Michael Ansell of Jerseyville, Southern Illinois DeMolay Association Master Councilor, spoke briefly after congratulating the new officers. He returned recently as a delegate to the annual session of The International Supreme Council held this year in Washington, D. C. He plans to return here to preside over the Southern

Illinois DeMolay Association to take place Sunday 21 at the local Temple. At this meeting Rev. John Ambury, pastor of the Dewey Avenue Methodist Church will conduct the worship service and a chicken dinner prepared by the Mother's Club will be served. The afternoon business meeting will be concluded with a tour of the canal locks. Approximately 200 are expected to attend.

James Fitzpatrick received his past master councilor's jewel from the chapter advisor, Charles Meyer, and the former presented the newly installed Hileman with his master councilor's pin. There was also a "hats off" award to Mrs. Betty McClintock by George Slattery for her efforts in behalf of DeMolay.

Linda Fischer, daughter of Mr. and Mrs. O. Fischer, 2600 Adams street, was crowned the 1968 DeMolay Sweetheart by the retiring "sweetheart," Debbie Harrison, during the dance which followed the installation. Angela Epperson and DeMolay Chance served as first and second attendants.

Miss Fischer was escorted by James Fitzpatrick and Miss Harrison by Stephen Epperson, and Miss Chance by Richard Lowe. Master of ceremonies was Charles Hileman.

Refreshments were served by the Mothers Club and dancing to the music of "The Soul Expedition."

Several members of the cast are Quad-City residents. Tickets may be purchased at the door at the time of the performance.

## 27 Eagle Scouts Honored at Granite City Steel Dinner

Twenty-seven youths and young men who have earned the highest Boy Scout rank, Eagle scout, during the past year were honored here Monday night at the annual Eagle recognition banquet of the Cahokia Mound Council.

Location was the office building of Granite City Steel Co., which was host for the roast beef dinner. Guest speaker was Harry Gallatin, assistant dean of students and basketball coach at Southern Illinois University-Southwestern campus.

The banquet climaxed a day in which the scouts and explorers had accompanied their sponsors on a typical day's activities. They were paired with men in occupations in which they are interested.

Sponsors, leaders, advisors and council officers were among those present at the dinner. The program included a talk by each Eagle scout in which he reviewed the day's events.

**Gallatin Stresses Hard Work**  
Gallatin recalled humorous incidents during his long career as a college and professional basketball player and coach. He stressed the importance of hard work and dedication to achieve goals, and said, "The ability to organize your time that you have shown in qualifying for Eagle rank indicates that you have what it takes to live successfully."

Council President, Carl E. Mathias, Illinois Power Co. service area manager, welcomed the gathering, cited the accomplishments of the 27 and said the example they set will be the boys who follow them into the scouting program.

Council Scout Executive Eugene Coe noted that Eagle ranks include former U. S. Supreme Court Justice Tom Clark, Gen. William West, and Pete Dawkins, a West Point graduate with whom he is acquainted. Local men who hold Eagle rank include Leo Schermer, Don Freeman and John Haack, he commented.

**Rededication Ceremony**  
Frank Hudak, council advancement chairman, served as master of ceremonies and Council Vice-President Rollin Henn led an Eagle rededication ceremony.

Henry Gray, a member of the advancement committee, introduced those at the head table and represented Granite City Steel Co. in accepting the group's thanks for the dinner arrangements. Rev. Robert Dodd offered the invocation.

Univah (Quad-City) Eagles and their sponsors were James Anderson, Post 12, Niedringhaus PTA, Richard Prough of Kane, Ill.; Vann Ford, Explorer Post 46, Dunbar school, Madison, Mo.; William Tudor of SIU-SW; James Hellrich, Post 94, Granite City Steel Management Club, Marion Wilson, Edwardsville.

Wenzel; from Edwardsville — Jim Jones, Paul King, Daniel Klenke, David Lando, Robert Ligon, Dale Radcliff and Jeffrey Schneider; from St. Jacob — John R. Peck and Douglas A. Peck; and from Collinsville — Robert Jensen.

Sponsors included Dr. Ciro Gonzalez of Granite City, Harley Love of East Alton, a Granite City Steel engineer, Alvin King of Edwardsville, a Granite City Steel electrical engineer, George Dean of Edwardsville, a Union Starch & Refining Co. chemist, and Rev. James Shortall of SIU-SW.

Scoutmasters of new Eagles include Stephen Lee of Troop Eight, Russell Lyons of Troop 15, Kermit White of Troop 86. Advisors include Wilbur Shelton of Post 12, Udel Green of Post 45, Henry Hellrich of Post 94 and Raymond Gaudette of Post 95.

**Dean Jones Selected  
Top U. of I. Pledge**  
Dean Paul Jones, 18, son of Mr. and Mrs. Steve Jones, 3244 Carlson avenue, was named Outstanding Pledge for 1967-68 at the recent Junior Interfraternity Council Recognition Banquet at the University of Illinois. He is the first member of the Delta Chi fraternity to receive the award at Illinois.

The local youth's selection over candidates nominated by 57 fraternities at the U. of I., was attained through high scholastic achievement combined with his activities in the Illinois Union and with the Illinois Yearbook staff.

Jones, who was valedictorian of Granite City high school's 1967 graduating class, currently is serving as president of the Class of '71 at the University. His present studies are in the area of science and mathematics.

To commemorate the occasion, Jones received a mounted wall plaque. His father is assistant principal at the local high school.

**High School Journalists  
To Meet at Carbondale**  
More than 600 high school publications editors, staff members and advisors will gather on the campus of Southern Illinois University Saturday for the 18th annual spring conference of the Southern Illinois School Press Association.

The event is sponsored by the SIU department of journalism and the St. Louis professional chapter of Sigma Delta Chi national journalistic fraternity.

## SIEA Annual Meeting Friday at Giant City

The Southern Illinois Editorial Association will hold its annual spring meeting at the Giant City State Park Lodge on Thursday and Friday, according to announcement by SIEA President Sam L. Smith of Metropolis.

Smith said the SIEA meeting will get under way at 7 p.m. Thursday with the traditional Past Presidents' Dinner.

The first session on Friday morning will be devoted to a triple-screen color slide presentation on Southern Illinois by the SIU Exhibits Office. Following will be a talk on "Southern Illinois Tourism" by Henry Wallace of Crossville.

The 11 a.m. session will present a discussion of the devel-

opment of the SIU journalism department with a panel composed of Donald G. Hileman, W. Marion Rice, Bryce W. Rucker, and H. R. Long, chairman of the department.

Dr. R. C. Steck, superintendent of Anna State Hospital, will complete the morning program with a report on "Progress in Mental Health."

At the noon luncheon the SIEA will present awards in its annual Better Newspapers Contest. The Press-Record is to receive an award for excellence in editorials.

Features of the afternoon will be a "Critique" by Howard R. Taylor, editorial consultant of Copley Newspapers and a visiting professor of journalism at SIU for the spring quarter; and

an open-end panel discussion, "Let's Talk Shop," with participating newspaper men William Morgan of Sparta, Martin Brown of Cairo, Charles Mills of Vandalia, James Roberts of Fairbury, and Curtis G. Small of Harrisburg. Last order of business will be the election of new officers and directors.

Editors will come to the campus Friday evening for a SIU train tour at 5:15 and will join department of journalism students and faculty for a 7 p.m. banquet at the University Center Ballroom. Student journalism awards and announcement of 1968 "master editor" designations will follow an address by Paul Fisher, director of the Freedom of Information Center at the University of Missouri.

## Poor Attendance Delays EOC By-Laws Revision

Proposed revision of the Madison County Economic Opportunity Commission's by-laws, required through passage by Congress last December of the Economic Opportunity Amendments of 1967, has been delayed until a quorum can be obtained on the issue, Maurice S. Harris, county EOC director said today.

Changes proposed, include restriction on relegating voting power; forfeiture of membership for non-attendance; and reduction of commission members from 60 to 51.

Harris said the revisions were recommended at the commission's regular meeting held earlier this week. However, an insufficient number of voting members prohibited official action being taken.

Lack of a quorum has plagued previous commission meetings and precluded official action being voted on several important issues before the commissioners, the director pointed out. One amendment to the by-laws states, "Any member or organization will forfeit membership rights by failure to attend three or more meetings in any six-month period."

Another revision states that a member can provide a substitute representative at a meeting, but cannot relegate power or vote to another member. Through this amendment, it was explained, the commission hopes to prevent blocks of votes.

To conform to the Congressional amendment, enacted last year, the county anti-

poverty agency proposes that the commission will consist of 51 members rather than 60, "to be selected by the different organizations in the county accepted for membership through the membership committee."

"One-third of the membership is to be citizen members, one-third to be governmental officials and one-third to be agency or organizational representatives of the community."

At this week's meeting, an Alton member speculated that poor attendance may result from "too lengthy meetings."

He suggested copies of reports be mailed ahead of the meeting to commissioners, instead of distribution and reading of the material during the sessions.

Harris noted that the com-

mission is limited in funds for postage, with the result that reports cannot be mailed to all commissioners in advance of meetings.

In other business, Clayton Williams of the EOC Legal Aid Services, reported his office will be relocated Monday at 114 St. Louis street, Edwardsville. He asked that temporary partitions be erected in the new facility to provide privacy for the clients. He added that the original office at 108 St. Louis street had to be vacated since the owner of the building now requires the space.

John Lobos, acting director of the Neighborhood Youth Corps, reported that enrollment is now at the maximum, with more than 300 out-of-school enrollees and 575 in-school program participants. In excess of 900 youths are expected to register for the NYC summer program, set to begin in early June, the official said.

## Council Seeks Report on Red Dust Problem

Urging action as soon as possible, Granite City council members referred a "red dust" complaint letter to the city's Air Pollution Control board Monday night.

Alderman Dallas, who lives near the basic oxygen furnace of Granite City Steel Co., said he was well aware of the problem as outlined in a letter from Mrs. Elizabeth Thalmann, 2001 Thirteenth street, and said the city's technical secretary, Prof. Erwin Hoelscher, is to inspect the steel mill's BOF operation this week.

Dallas suggested the council wait for the report from Prof. Hoelscher, and Fry added, "All this is going to take quite a few months, but it will be necessary for the city to take action."

Alderman Whitmer said he was present at last week's air pollution board meeting and heard a number of the complaints. "This is a tremendous problem," he commented.

In her letter, Mrs. Thalmann said she had hosed down the

aluminum siding on her house several times, but now is going to have to scrub it. She suggested the steel mill assign someone to watch its BOF stacks, pointing out not all the red dust was being blown from trucks hauling it to the firm's landfill. She urged a combined effort by the city, the clean air board and the steel mill to put an end to the nuisance.

### JA Liquidation Sale

Council members authorized the local Junior Achievement center to conduct a liquidation sale, April 26-27 at Nameoki Village shopping center with prizes to be awarded by the merchants of the center. Tickets for the prizes are to be dropped by airplane. The mayor said he did not favor the plane flight.

"Children running after the tickets might dash into the street for one and get hit by a car," he commented.

The mayor urged attendance at the National Service to Regional Councils second annual seminar to be held in St. Louis

May 22-24 in St. Louis. The letter of notice was placed on file.

Permission was given for two police department juvenile officers to attend a Governor's Conference of the Illinois Juvenile Officers Association in Chicago May 1-3. Sgt. Harry Mitchell and Patrolman Alan LeMaster will be given expense allowances of \$100 each.

## Explains Stuck Valve Cause of GC Steel Smoke

Donald Cairns, plant engineer of the blast furnace department of Granite City Steel Co. explained today the effective emission of smoke for a brief period Wednesday resulted when one of the gears that operates the atmospheric relief valve slipped, causing the valve to stick in an open position.

This occurred at a time that one of the new basic oxygen furnace vessels was charged. He explained that it was necessary to complete the blow—a period of about 15 minutes—to prevent a burnout through the vessel could have endangered workers in the plant.

As soon as the blow was completed the plant was shut down and operations were not resumed until repairs had been made, Cairns said.

He said that in compliance with terms of the Granite City Air Pollution Control Ordinance, a report on the breakdown of the air pollution control equipment was made to Mayor Donald Partney and the technical secretary of the Granite City clean air board.

## St. Joseph Pupil in Quarter-Final Match

A lone contestant from Granite City will compete in this Saturday's quarter-final round of the two-state metropolitan area spelling contest at Kiel Auditorium.

The competitor will be Tina Perdue, 13, daughter of Mr. and Mrs. James Perdue, 2113 Grand avenue, who will represent St. Joseph's parochial school in the quarter-final match. It was announced this week that the eighth grade spelling champion has been awarded the Alpha Theta sorority scholarship to St. Teresa Academy in East St. Louis.

Six public and parochial students from the Quad-Cities participated in a quarter-final round held last Saturday at Kiel Auditorium. Winners who will advance to semi-final competition on April 27, include Jean Richardson, 13, of Sacred Heart school, and Carol Frey, 13, of St. Elizabeth school.

All contestants in the quarter-finals receive pens, arm patches and Spelling Bee certificates designating them as school champions.

Long attended Granite City high school and selected Regular Army as his guaranteed enlistment option.

## Alton Hospital Makes Informative Movie

The Madison county unit of the Alton State Hospital is completing a movie which the staff has produced and directed to be shown to visitors attending an open house Sunday, April 28, from 1 to 4 p.m.

The movie is entitled "The Road to Recovery" and explains in detail what happens to a patient from the time he is admitted, diagnosed by the unit team and what daily activities he may expect to participate in and treatment programs.

Dr. Don Tatro, Madison county unit chief, said "as being admitted to a state hospital is such a vague and disturbing event to most families, we felt we could help educate the general public by making a film such as this." He said the film would be made available for use by organizations by contacting his office at 465-5933, Extension 538.

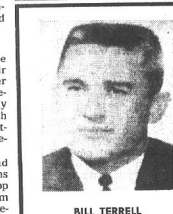

During the open house the film, running for 30 minutes, will be shown in the diagnostic staff room at 1:30, 2:15 and 3 p.m.

### False Dynamite Report

Granite City police received an anonymous phone call at 5:30 p.m. Wednesday from a person who said "there is 15 sticks of dynamite inside Finley Plating Co. (1742 State street) and you have exactly 12 minutes to do something about it." Police checked but found nothing.

# MORE ABOUT A. O. Smith

## MORE ABOUT \$3,098,900

Construction, \$767,223; S. M. Wilson, \$496,103, and A. H. Seebold, \$496,798.  
Phase C—G. H. Sternberg Co., Granite City, \$2,434,900; S. M. Wilson, \$3,315,211, and A. H. Seebold, \$2,246,523.

## Possible Savings

A possible savings of nearly \$200,000 in the closed line construction by substituting corrugated aluminum piping for concrete pipe was discussed. The suggestion was submitted by G. H. Sternberg, former alderman and contractor to Mayor Partney.

Approval by the Housing and Urban Development Agency would be required, but first the committee and project engineer are to review the proposal.

Bartosiak noted that cost-saving factors would have to be considered, especially since the city must repay \$41,100 of the original \$101,000 loan to plan the project several years ago. The city had planned only to repay \$17,000 to \$20,000 of the overall loan from the federal agency, but it was learned about two weeks ago that the full amount must be repaid.

"The payment is to be the first to be made from the special sewer funds," Bartosiak told the council.

Mayor Partney said the contract with H. W. Lochner Co. calls for the engineer to make the payment from his fees. Bartosiak said the engineer has agreed to pay up to \$25,000, with the remainder to be paid by the city—\$16,100.

"Where are we going to get the \$16,100?" Alderman Fry asked. Bartosiak replied the money would have to come from the sewer funds, if general funds were not available.

## Debate Fund Transfer

Earlier in the meeting, the council debated transfer of special sewer funds to the general fund account as reimbursement for advance payments for engineering, publications and miscellaneous costs.

Bartosiak presented a motion that the transfers made be made but the council voted 9-0 to repay the general fund. In arguing for his motion, Bartosiak pointed out that every available cent will be needed to pay for the sanitary sewer project that was given voted approval last June.

The total amount was \$12,998, including \$10,941 to the local engineering firm of Sheppard, Morgan & Schwaab, for revision of plans for the sanitary sewer project.

In opposing Bartosiak's motion, Alderman Moerlein stated that the sanitary sewer project was to be financed with a revenue bond, and that city general funds should not be used. "Those who benefit pay under the revenue bond program, but if you use general funds, then every taxpayer is paying toward the sanitary sewer project."

Bartosiak replied that he understood that when the council voted last year to pay the fees from the sales tax funds that it was not to be repaid.

Also paid was \$204 to General Contracting Co. on Estimate No. 1 for construction of the sanitary sewer lines in North Granite.

# NFO Holding Action Continues in Area

Edwin Wein, official of the National Farmers Organization, said yesterday that contrary to rumors, the NFO holding action still stands and "will remain until contracts for fair prices of \$23 per hundred for hogs and \$32 for choice cattle are signed."

The offered prices now are \$20 for hogs and \$27 for cattle. He added that livestock producers should contact their local NFO officers for financial or other aid. Wein added that full cooperation is needed.

however, that it had been a long-standing policy of the company that any employee off the job for 90 days or more—for any reason—would be terminated only after passing a physical examination.

Further meetings on the issue, attended by Mayors Donald Partney of Granite City, Stephen Maeras of Madison and John E. Lee of Venice, leaders of a Citizens' Committee that took part in final negotiation of the recent strike issues, were held Monday afternoon. That meeting adjourned in an apparent deadlock.

A third meeting at the plant Tuesday morning, also attended by the three mayors, ended with the letter of agreement in which the company agreed to bypass the examination requirement involving the strike period only.

## Prior to Deadline

The issue of the part of the union grew out of the fact that between 700 and 800 boiler-makers returned to their jobs on March 27, following settlement of the strike, without taking examinations at the plant dispensary in accordance with a notice that had been sent out earlier notifying the 300 recalled workers that their return to work was subject to a new examination.

Warfield went to the dispensary, halted the examinations and arranged a conference with plant officials. Warfield contended that in final negotiations that led to settlement of the 83-day strike, the company had agreed that all employees involved in the strike would return to work "with no strings attached." He maintained the examination of the 300 recalled union members was a violation of that agreement.

## Long-Standing Policy

The company pointed out,

### "POMME D' AMOUR"

"Means 'Love Apple', How 'About That?!"

It's hard to believe that such a universal favorite as the tomato was so long regarded with suspicion, yet that is exactly the case. The tomato plant first grew in the tropical regions of America and was cultivated by the Incas, then the Aztecs. The Spanish took it home with them from Mexico, but raised it for ornamental purposes only. Some years later, it reached Italy via Morocco and found somewhat better: The Italians called it POMO D' AMOR (Morish apple) and soon came to appreciate its flavor as much as its decorative qualities. When the tomato moved on to France, Gallic imagination altered the name to POMME D' AMOUR (love apple), but the French lost no love on it.

It took hundreds of years for the English and French to learn to love the tomato as a food, although they admired its beauty. And it took many years for Americans to do likewise, even though it was popular at European tables by the time it returned to this continent.

The tomato was one of the first vegetables chosen for canning experiments and was first canned in the year 1847. . . . As one writer summed it up, recipes calling for tomatoes are the sands of the seashore for multitude.

Listed below is a wide variety of canned tomatoes we have in our store. We're especially proud of the C. W. fancy whole tomatoes, so why not try them.

### Three GC Girls Fined In E. Alton DC Case

Three Granite City girls, one of them a 14-year-old juvenile, were fined in East Alton on disorderly conduct charges Monday afternoon following their arrest at Arlan's shopping center as shoplifting suspects.

Police Chief Harold Riggins said he confiscated merchandise from their car that bore price tags from Arlan's in East Alton, Gem Store and Central Hardware in St. Louis county, Grant's in Eastgate and Grandpa's store on Collinsville road in Madison county.

Riggins said the girls used more than one car for their operations, but that their escape from Arlan's was blocked by a security officer who ringed the car with shopping carts until police arrived. A search warrant was obtained to enter the car.

Chief Riggins said those fined included Diane Lee Poe, of 718 Twenty-seventh place, \$30 plus \$15 costs; Mrs. Dorothy M. Flaugher, 17, of 1648 Maple street, \$50 plus \$5 costs; and the juvenile girl, 14, \$50 and costs. The fines were paid.

Merchandise recovered by police was valued at more than \$200, Chief Riggins said.

### Venice Rubbish Fire

Venice firemen were called at 6:30 p.m. Tuesday to the residence of Mary White, 1018 Douglas street, where burning trash set fire to the fence in the rear yard. Firemen were at the scene half an hour. There was no loss, firemen said.

### Venice Fire Truck Bought for State 'Sesqui' Parades

Want to buy a fire truck? Six "Green Hall Boosters of the Illinois Sesquicentennial" wanted to add have acquired for \$500 from the Towers Fire Apparatus Co. Freeburg, a 1942 Diamond T truck soon to be traded in by the city of Venice.

How will it be used? Not to fight fires, but to be driven in parades and other events held throughout the state in observance of Illinois' 150th anniversary.

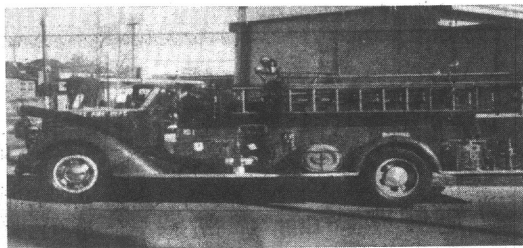

Pete Planitz Jr., Leonard Dyjak, Matt Thomas, John Kurosz, Leonard Mikolaszuk and John Piechowski have bought a large red truck, the oldest of two used by the Venice volunteer fire department.

The transaction will become effective in late May after Venice takes possession of a new truck currently being equipped and completed by the Towers firm. Almost immediately, in early June, the "boosters" will put the truck to use.

It has wide running boards on which sesquicentennial celebrators can stand, and an area now occupied by fire hose is to be fitted out with seats. Present ladders will be removed but other ladders have been obtained so that the pumper will retain an authentic appearance.

Planitz, operator of the Green Hall tavern, Madison, said a large trailer also used by the group for parades will remain in use.

After the sesquicentennial ends in December, the vehicles will be entered in other parades and community activities.

CHANGE OF OWNERSHIP is due soon for this Venice fire truck, which is being acquired by Green Hall Boosters of the Illinois Sesquicentennial for use in sesquicentennial parades and festivals.

### 3 Sons and Foster Son With Forces in Vietnam

Mrs. Frank Busler, 2806 West 20th street, received a surprise radio call from her son, Marine Pvt. Douglas Thomas, from Khe Sanh, Vietnam, Wednesday morning at 10 a.m. He is serving with the 24th Marine Division and has been in Vietnam for a month, having served with the corps for two years.

Mrs. Busler said she is proud of her three sons and is foster son who are serving in Vietnam. This gives me a lot of worries, as they are stationed in different parts of the country," she said.

Machinist Mate Second Class James E. Rogers, 17, of 916 Franklin street, Madison, and a 16-year-old companion were arrested by Venice police on peace disturbance charges at 8 p.m. Tuesday. The youths were arrested on complaint of Gloria Virginia, who told police the boys kicked open a door at her house, 1203 Logan street.

Both youths were released on a notice to appear for hearing May 1.

Her foster son, Pvt. James Griffen is a paratrooper with the 101st Airborne and arrived in Vietnam in March. Mrs. Busler said she had written to Congressman Melvin Price in an effort to keep her youngest son, Lance Cpl. Robert Thomas, in this country at least until the other boys had returned.

She received a letter confirming her request but in the meantime Robert volunteered to serve in Vietnam, she said.

### \$75,000 Suit Filed

A suit for \$75,000 was filed Monday for Clarence Grey against the Norfolk & Western Railway in Madison county circuit court. The complaint alleges that Grey, employed as a carman in the Madison yards on Feb. 23, was making certain repairs when hot slag fell on him, causing severe injuries. Negligence was charged.

### Two Boys Arrested

James E. Rogers, 17, of 916 Franklin street, Madison, and a 16-year-old companion were arrested by Venice police on peace disturbance charges at 8 p.m. Tuesday. The youths were arrested on complaint of Gloria Virginia, who told police the boys kicked open a door at her house, 1203 Logan street.

### Former GC Resident Buried at Eldorado

Funeral services were held Saturday in Eldorado, Ill., for William Dale Murphy, 55, of that community, a former Granite City resident and steel mill employee. He leaves a daughter here.

Mr. Murphy died unexpectedly April 10, following surgery at Baptist Memorial Hospital, Evansville, Ind., where he was admitted the previous day for removal of a blood clot. He had not been previously ill.

A native of Ridgeway, Ill., Mr. Murphy had resided in Eldorado for the past ten years and was employed as a truck driver. Prior to that time, he lived in the Quad-Cities and worked for more than a decade as a switchman at Granite City Steel Co.

Survivors include his wife, Mrs. Opal Murphy; two daughters, Mrs. Paul (Joyce) Fuller of Granite City and Miss Kathy Murphy, at home; three sons, Mark, nine years, at home, William C. Murphy of Cottage Hills and Denny Murphy of Rosiclare, Ill.; and four grandchildren.

### Coroner Jury Returns Verdict of Suicide

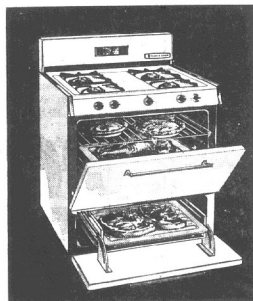

A verdict of suicide caused by a self-inflicted gunshot wound to the head was returned Tuesday evening by a coroner's jury inquiring into the April 9 death of Harvey L. Balke, 59, operator of the Home Nursery Greenhouses, Inc., at 2900 Madison avenue. Mr. Balke was found by an employee of the firm lying on the floor at the rear of the business establishment. Balke lived above the florist shop.

## Doll Program For Association

The Granite City Steel Women's Association held their regular meeting, Tuesday evening, in the company dining room, which was decorated in pink and white in keeping with the theme, "Enchanting World of Dolls." The tables held tall pink tapers and centerpieces of dolls with individual doll favors for each of the guests.

Mr. and Mrs. Oscar Oels of Edwardsville presented a program on "Enchanting Dolls" using projectors both slide and sound to show color pictures of doll collections from all over the world. Individual commentary with background music suitable for each doll presented.

Mrs. Eileen Long served as chairman for the evening assisted by Mrs. Ethel Mueller and Mrs. Mabel Deitz.

## Hawaiian 'Tour' Planned by Group

The St. Elizabeth Hospital Auxiliary will tour Hawaii via their armchairs and colored slides shown by Mrs. Clara Schullinger and Mrs. Vera Carey on Monday, April 22, at 7:30 p.m. to be held in the Nun's dining room, at the hospital. Several members will be dressed in authentic Hawaiian attire and there will be a sing along Hawaiian style. Refreshments will be served following the business meeting in the Coffee Shop by Mary Mayhugh, Ruth Isom, Lydia Duggan and Helen Bergfield. A board meeting will precede the regular meeting at 6:30 p.m.

## DR. MEADOWS VISITS RELATIVES HERE

Mr. and Mrs. Robert Whitaker, 2228 Orville street, had as their house guest this week, Mrs. Whitaker's brother, Dr. Paul Meadows from Syracuse, N. Y.

Dr. Meadows, who served as a student preacher 30 years ago at the Methodist church in Madison, is now professor at the Syracuse University and author of many books. He also travels throughout the country lecturing on religion. Dr. Meadows left Tuesday for his home in New York.

MISS SARA LEE RIVENBURGH, whose engagement to Larry W. Frazier, a son of Mr. and Mrs. Arthur L. Frazier Jr., 2124 Garfield avenue, is announced by her parents, Mr. and Mrs. Donald Rivenburgh, 2321 Clark avenue.

## MRS. LANDIS PRESIDES AT CIRCLE FOUR MEETING

Mrs. Barbara Landis, chairman, was in charge Tuesday at a meeting of Circle Four, United Presbyterian Women of First United Presbyterian Church, in the home of Mrs. Virginia Milster, 2405 Cleveland blvd.

The members were reminded of the April 23 Association meeting and the annual member-daughter banquet May 28. Tickets for the latter event are now on sale.

The Mission Year Book of Prayer was given by Mrs. Landis, and Mrs. Bess Henley had the meditation of The Least Coin. The lesson and Bible study were presented by Mrs. Lela Runck.

Refreshments were in keeping with the Easter season. The table was centered with Easter eggs, baskets and a cake bunny. Favors were also appropriate to the season. Twelve were present.

### Two Honored by Birthday Club

The Hope Birthday club met Wednesday at the home of Mrs. Janie Goad, 2107 Bryan avenue, to celebrate the birthdays of Mrs. Goad and Mrs. Norma Eads.

A covered dish luncheon was served at the noon hour. Guests included Miss Joyce Goad, Mrs. Ruby Snyder and the latter's grandson, Tracy Snyder. Members present were Mesdames Helen Achors, Maggie McCoy, Opal Blevins, Georgia Grizzard, Linda Flaughner, Virginia Parker, Nola Scarborough, Shirley Carington, Phyllis Ryan, Rena Birdsong and Edith Mitzel.

### WHITTLE CLUB NAMES QUEEN OF WEEK

A weekly meeting of the Tops Whittle by Whittle club was conducted Monday evening at the Tri-Cor Medical building. The leader Mrs. Peggy Hackney presided over the meeting and announced Mrs. Jacquelyn McChes as the winner in a contest sponsored by Mrs. Nina Eads.

Mrs. Jo Bain was crowned as Queen of the Week. Plans were completed for the members with the Venetian Club to serve dinner to the Ship Shapes Club on April 23 as a result of a three club contest held recently. The dinner will be served at St. Mark Church in Venice at 7:30 p.m.

Those present were Mesdames Billie Bagl, Muriel Byrne, Shirley Coerver, Frances Coleman, Diane Gontier, Helen DeRuntz, Iris Gau, Edith Harris, Sally Schultz, Elveria Sharp, Jerry Skaggs, Shirley Sobolewski, Pat Wickman, Betty Robertson, Nancy Bernick, Virginia Colter, Norma Ruhl, Misses Sue Hagauer, Beverly Province, Mary Wetzel and two new members, Mrs. Jo Gipson and Mrs. Gladys Hudson. Following the meeting games were played.

### BIBLE CLASS MEETS AT WESLEY HALL

The Maude M. Tolleson Philathea Bible Class of Niedringhaus Methodist Church met in Wesley Hall on Tuesday evening with the vice-president, Mrs. Emma Schoen presiding. Mrs. Norma Chesterson read the 24th chapter of the book of Luke, and Mrs. Glen Cundiff led the prayer.

The nominating committee presented a slate of officers for re-election and they were accepted.

Mrs. Cundiff reviewed a chapter on "You Can Talk To God," taken from the book entitled "Good News For Youth." Mrs. Elva Miller closed the meeting with prayer and the hostesses Mrs. Charles Reimers, Mrs. Bertha Voss, Mrs. Frank Ahlvers, Mrs. Mary Hiler and Misses Mildred and Myrtle Draper served refreshments from tables decorated in a spring and Easter theme.

### Mr. and Mrs. Daniel Phelps' 60th Wedding Anniversary

Mr. and Mrs. Daniel Phelps, residents of Granite City for the past 35 years, will observe their 60th wedding anniversary Sunday at the home of a son-in-law and daughter, Mr. and Mrs. Frank Lindsay, with whom they reside at 1888 Delmar avenue. Before retiring 19 years ago Mr. Phelps was employed as a

watchman by the Terminal Railroad. He is now a patient in a local hospital. The couple has three sons, Clarence and Chester, nine grandchildren and three great-grandchildren. Mr. and Mrs. Phelps are charter members of Third Baptist Church. He is 84 and his wife is 75.

BETROTHAL ANNOUNCED, Miss Judith Anne Grant, whose engagement to Pfc John J. Voyles is being announced by her parents, Mr. and Mrs. Joseph A. Grant, 2104 Garfield avenue.

### Miss Grant Is Engaged

Mr. and Mrs. Joseph A. Grant, 2104 Garfield avenue, announced the engagement of their daughter, Miss Judith Anne Grant and Pfc John J. Voyles of the U. S. Marine Corps, at a dinner party held at Rusty's restaurant in Edwardsville this week for family and friends.

The bride-elect was graduated from the local high school and attended Lindenwood College in St. Charles, Mo., and SIU-SW campus. She is presently associated with her mother in a Cosmetic Studio in Edwardsville.

Pfc Voyles is the son of Mrs. Isabel Voyles of Edwardsville and the late Walter N. Voyles. He was graduated from Collinsville high school and employed at McDonnell-Douglas Corp. prior to his enlisting in the Marine Corps. He has just recently graduated from parachute rigger school at the Naval Air Base, Lakehurst, N. J. and is now assigned to the Marine Base at El Toro, Calif. Wedding plans are indefinite.

### John M. Waggoner, 81, Dies; Former Resident

John Madison Waggoner, 81, of 200 North Wilson Heights drive, Collinsville, a former local resident, died at 6 a.m. yesterday at his home. He had been in failing health.

A resident of Granite City from 1917 to 1939, Mr. Waggoner had lived in the Collinsville area for the past 29 years. He was born in Dover, Tenn. Prior to retirement 12 years ago, he worked as a truck driver. He was a member of Teamster's Union, Local 133 of St. Louis and St. Paul's Lutheran Church of Troy, Ill.

Surviving are his wife, Mrs. Kate (Settle) Waggoner; one daughter, Mrs. John (Ruby) Evans, of Collinsville; one brother, Ike Waggoner, of Erin, Tenn.; a grandson, Michael Evans, of St. Louis and one great-grandson, Keith Evans, also of St. Louis.

Funeral arrangements are given in today's obituary column.

### Boy, 5, Girl, 6, Bitten by Stray Cat

John Duley, five, and his sister, Myrna, six, of 2025 Fourth street, East Madison were bitten by a stray cat which had been frequenting the neighborhood, it was reported to the county sheriff's office at 7:15 p.m. Tuesday.

They were treated by a physician, and their mother, Mrs. Lester Duley, was advised to catch the cat and keep it penned pending arrival of rabies control personnel.

LEE MACE AND HIS OZARK OPERY from Osage Beach, Mo., who will present two programs at Granite City High School on April 28 at 2 p.m. and 7 p.m. The show is sponsored by the Boosters Club and the proceeds will be used to build a press box on the football field.

### Firms Sued for \$100,000

A suit for \$100,000 was filed Monday in Madison county circuit court for Donald R. Lonest against Granite City Steel Co. and Ferro Processing Co. The complaint alleges that an auto driven by Lonest was struck and demolished by a company truck which left the Nash street gate of GC Steel onto 20th street, causing severe and permanent injuries last Dec. 15. Negligence was charged.

### Satoned in Vietnam

Army Specialist Four Mercie Mendoza whose mother, Mrs. Josefa Galvan, and wife, Donna, live at 1728 Maple street, has been assigned to the 815th Engineer Battalion near Pleiku, Vietnam.

### GC Public Library To be Closed Monday

The Granite City public library will be closed Monday to permit a work crew to refinish the floor in the main section of the building.

Mrs. Mary Gene Knutson, librarian, said it is necessary to close the building to permit the new lacquer-type finish to dry completely for waxing.

Regular hours will be resumed Tuesday.

## Register Kindergarten, Pre-Schoolers in GC Apr. 22-25

Kindergarten registration will be conducted next week in the Granite City school district, it was announced today by Supt. Bob J. Davis.

To be eligible for registration to attend kindergarten in the 1968-69 school year, children must be five years of age on or before Dec. 31, 1968.

A birth certificate must be presented at the time of registration, and health examinations must be obtained before each child begins the fall term. House Bill 1410, now an Illinois law, also required immunizations against measles, smallpox, tetanus, diphtheria, polio, mumps and whooping cough prior to initial entrance in school.

Registration Schedule  
Present grade school boundaries will be followed in conducting the registration. The hours of registration will be from 9 a.m. to 2:30 p.m.

Kindergarten registration will take place as follows:  
Monday, April 22—Nameoki, Niedringhaus, Webster and Maryville schools.  
Tuesday, April 23—Logan, Marshall, Mitchell and Lake schools.

Wednesday, April 24—McKinley, Stallings and Washington schools.  
Thursday, April 25—Frehardt, Parkview, Wilson and Emerson schools.

4-Year-Olds in 4 Areas  
Mrs. Ruth D. Lahr, director of the district's program financed by Title I of the U. S. Elementary and Secondary Education Act, reported today that an April 22-25 pre-registration schedule will be followed for pre-kindergarten children residing in the Project Lift Off school areas.

To qualify for the Title I program, a child must be four years old on or before Dec. 31, 1968. The parent should bring the child's birth certificate along at the time of the pre-registration next week.

Hours will be 9 a.m. to 2:30 p.m. Monday, April 22, at Webster school; Tuesday, April 23, at Logan school; Wednesday, April 24, at Washington school; and Thursday, April 25, at Emerson school.

### Ainad Provost Guard Starts CD Course Here

Ten members of the Provost Guard unit of Ainad Shrine Temple, East St. Louis, began a 27-week training course Tuesday evening at the Granite City civil defense center, 1411 Nineteenth street.

The instruction series, entitled "Law and Order Training for Civil Defense Emergencies," will be taught by officers of the Granite City police department and CD Auxiliary police corps, under the auspices of the latter organization. Harold Mayfield, Granite City CD training director, is serving as course coordinator.

Instructing the initial session were Assistant Police Chief Teller, whose topics were "Department Rules and Regulations" and "Police-Public Relations"; Auxiliary Police Chief John Becker who spoke on "The Police in a CD Emergency" and "The Role of the Auxiliary Policeman."

Part "A" of "Law and Order Training" will involve seven classroom sessions covering most facets of regular and auxiliary police duties and requirements, with the following six weeks devoted to basic pistol marksmanship. The remaining 14 weeks will include advance instruction in law enforcement procedures and first aid training.

### Three Youths Charged

Three Granite City youths were arrested by police at 6:15 a.m. yesterday at 23rd street and Madison avenue and charged with disorderly conduct. Police reported they booked Steve Steff, 18, and David Steff, 17, both of 2120 Delmar avenue, and Joseph Szymczek, 19, of 2054 Fourteenth street. Magistrate hearings are pending.

### GC Steel Plant Tour Planned for Meeting

A tour of the Granite City Steel Co. plant has been arranged tonight as a phase of a meeting of the St. Louis Chapter of the American Society for Metals.

The tour is scheduled to start at 5 p.m. from the American Legion Home at 704 Broadway, Venice. Following the tour the group will return to the Legion hall for luncheon and the meeting. Robert D. McBride, operating vice-president of Granite City Steel Co., is to be the speaker.

Advance registration is required. Those wishing to attend may call 452-1100, station 251.

### Third Baptist Church Cancels 8:30 Services

The cancellation was not because of lack of interest as the services have been well attended since their inception. However, other complications in the church programming made the cancellation advisable. The regular schedule will be continued with Sunday school at 9:30 a.m.; the morning worship at 10:40 a.m.; Training Union at 6:30 p.m. and evening worship at 1:30 p.m. Wednesday evening prayer services will be at the regular time, 7:30 p.m.

#### HERE FOR VISIT

Mrs. Nina Bixler of Windsor, Ill., grandmother of Mrs. Margaret Duncan, is visiting Mr. and Mrs. Duncan, No. 3 Kaseberg park, for a few weeks.

Mrs. Lucille Sobczak, 4280 Highway 162, celebrated her birthday Sunday at a dinner. Those present included Julius Sobczak, Mrs. Marsha Slacca and son, Jerry, Don Crisell and Joe Sobczak. The honoree received many gifts.

### Over 800 Wheel Tags Sold Since Monday

Sale of more than 800 Granite City wheel tags since they went on sale at the city clerk's office Monday was reported today by Clerk Homer Pendleton.

The new tags this year are red on a dark background. Last year a total of 13,400 wheel tags were sold to the Granite City motorists.

Following a grace period in which motorists may obtain their tags, a police drive in which delinquent motorists are fined if they do not have the stickers usually is conducted. This year's deadline date has not yet been announced.

#### SCOUTS TOUR AIR BASE

Cadetette Girl Scout Troop 1174 with the leader, Mrs. Pat Eaton, toured Scott Air Force Base Monday.

The troop was met at the main gate by Cpl. Gary Russo, who conducted the tour. He is a district advisor for the Boy Scout troops at the base.

The girls were divided into three groups during the morning to visit many of the government buildings, including the Radar Control Center, Flight Line Control Tower and Weather Detachment Briefing Center, where Lt. Sharon Blinn gave a talk on weather.

The troop enjoyed dinner at the airman's dining hall before continuing the tour in the afternoon.

A demonstration was held on fire control and equipment, and a guided tour of the 932nd Carrier Wing, C-124 Air Craft Center and security section was conducted. The troop was invited back at a later date to visit the base hospital and other buildings not seen on this tour.

Transportation was furnished by Mr. and Mrs. Tom Harrington, Mr. and Mrs. Ronnie Eaton and Meddames Carol McKinney and Pat Emring.

Attending were Kitty Chapline, Ruth Bird, Diane Emring, Becky Graham, Kathy Harrington, JoAnn Head, Karen Lee, Debbie McKinney, Frances Welty and guest, Pam Dale, David, Mike, Patty and Timmy Harrington, Susan McKinney, Vicki Welty, Sharon and Pam Emring, Debbie and Mike Bird, Freddie Eaton and Lloyd Rid.

#### MISSIONARY PROGRAM

The Women's Missionary Society of Suburban Church met at the church, 2560 St. Clair avenue, for a monthly meeting this week.

The business session was conducted by Mrs. Audrey Kitch, president, and the evening prayer was offered by Mrs. Margaret Garrison.

A program "Requirements For the Missionary Vocation," was presented by Mrs. Sharon Purkey. Mrs. Jean Fisher led the members in a song, "Jesus Call Us Over The Tumult."

Refreshments were served by the Majorie Olive circle to those mentioned and Meddames Rose Lux, Norma DeVault, Lorene Fox, Beth Ward, Elaine Staten and Eula Junc.

The next meeting will be May 23.

#### RETURN FROM TEXAS

Mr. and Mrs. William V. Love, 2548 Hodges avenue, returned Sunday afternoon from a week's visit with their son and daughter-in-law, Major and Mrs. William Love of Bryan, Tex.

Major Love and his wife, the former Eleanor Hubler, have two daughters, Karrie and Cynthia. Mrs. Love is the daughter of Mr. and Mrs. Floyd Hubler, 3027 Wayne avenue.

Prior to entering the service, Major Love graduated from the Missouri School of Mines, Rolla, Mo. He is now enrolled in Texas A. and M. University, working for a Master's degree.

While in Texas, the Loves visited a national park and were taken on a tour of the battleship U.S.S. Texas. Before the return trip home, the birthday of their granddaughter, Karrie, was celebrated.

### Revival Begins Sunday At United Methodist

Rev. Paul W. Eaves, pastor of the Good Shepherd United Methodist Church, 3025 National avenue, announced today a revival service will be held at the church beginning on Sunday.

The guest speaker will be Rev. Orville Saltzman, pastor of the Third Evangelical United Brethren Church, Decatur, Ill. He has also been a member of numerous choral groups in college, at the seminary and the Indianapolis Symphony Chorus and has played professional baseball.

Rev. Saltzman is the past president of the Decatur Area Council of Churches and is presently serving as Group Leader of the Decatur Group E.U.B. Churches.

Services will begin with the 10:40 a.m. Sunday service and continue nightly at 7:30 p.m. through Thursday. Also on the program will be the Lehr Family from New Athens, Ill., who will present a special musical program.

#### Seek Gasoline, Oil Bids

The city of Granite City will accept bids until 4 p.m. Monday, May 6, in the city comptroller's office on providing gasoline, kerosene, fuel oil, motor oil, grease and diesel fuel to the city on an annual basis.

### Girl Scouts Jr. Fun Day To be Saturday at Lakota

Over 300 Girl Scouts from District IV are expected to attend Junior Fun Day which will be held Saturday at Camp Lakota near Glen Carbon.

The theme will be "Hidden Treasures of Girl Scouting" and each scout attending will receive a treasure to take home. All Scouts are to have a sack lunch, disposable drinking cup, a sit-upon and 11 swaps.

Girl Scout leaders in charge are Mrs. Jackie Frizell, Mrs. Marion York, Mrs. May Lee, Mrs. Wanda MacDonough, Mrs. Joann Cotter and Miss Carolyn Votaw.

A revised bus schedule is as follows: Bus 1, Market and Weaver streets, West Madison, 8 a.m.; Madison Recreation Center, Seventh & Lee avenue, 8:10 a.m.

Bus II, Emerson school, 20th and Benton streets, 8:20 a.m., and Lake school, 3201 East 23rd street at 8:30 a.m.

Bus III, St. John's Church, 2901 Nameoki road, 8:15 a.m.

Bus IV, Nameoki school, 1620 Pontoon road, 8 a.m., and Stallings school, 8:25 a.m.

Bus V, St. John's Lutheran Church, St. Clair avenue, at 8:15 a.m., and Maryville school, 4651 Maryville road at 8:20 a.m.

Bus VI, Frohardt school, 2040 Johnson road at 8:10 a.m., and Mitchell school, 316 East Chain of Rocks road, at 8:20 a.m.

Girl Scouts planning to attend "fun day" should be at their appointed bus stops before departure time as all buses will leave promptly according to the above schedule. In the event of extreme inclement weather the fun day will be held on May 4.

### Clear Venice School In New Bomb Threat

The Venice school at 700 Broadway was cleared of pupils about half an hour before regular dismissal time Tuesday afternoon following a bomb threat telephoned to the school office by an anonymous caller.

The call, which came from a male voice, was received about 2:30 p.m. by Robert Vickers, assistant school superintendent, who notified Venice police.

The bomb disposal squad from the Granite City Army Depot was summoned by police.

All classes were dismissed for the day immediately. Regular dismissal time starts at 3 p.m.

### Christian Science Service on Sunday

The lesson-sermon to be read Sunday in all Christian Science Church is entitled "Doctrine of Atonement."

The service at First Church of Christ, Scientist, 2569 Delmar avenue, will be held at 10:45 a.m. The public is invited.

#### Vickers told police the caller said:

"There's a bomb in that school, Black Power."

Members of the bomb squad and police officials conducted a thorough search of the building, but were unable to locate a bomb.

### A. O. Smith Corp. Earnings, Sales Up For 1st Quarter

A. O. Smith Corp. earnings for the first quarter of 1968 rose 48% while sales advanced 17% over the same period in 1967. The local auto frame manufacturing plant was closed by a strike during the period.

Earnings for the three months ended March 31 were \$2,452,000, or 99 cents a share, compared with \$1,653,000, or 67 cents a share in 1967. Sales for the 1968 quarter were \$30,410,000, an increase of \$13,145,000 over 1967.

"We still anticipate that 1968 will show continuing profit improvement," said L. B. Smith, chairman and chief executive officer. "However, the degree of increase for the balance of the year cannot be expected to equal that of the first quarter. The first period rise was dramatic because performance is compared with a 1967 quarter affected by a general slowdown in the nation's economy."

The gain in earnings for the recent period was particularly gratifying because these results were achieved despite a strike which began Jan. 1 and continued through most of the quarter at the Automotive division's plant in Granite City. The strike ended on March 27.

Improved performance was recorded in many areas of A. O. Smith's business during the quarter. Operations serving the Milwaukee-based company's four major market areas—transportation, natural gas and petroleum, industrial and agricultural capital equipment, and residential and commercial water heating—netted greater earnings on increased sales.

please every  
last person.

Housewives, we have a proposition. We want your next bag of potato chips to be Cardinal... so here's what we'll do. You buy a 59¢ bag of Cardinal Potato chips and we'll give you a 39¢ bag free!

Try the smaller bag first. If you don't like the chips, take the big 59¢ bag out in the yard—in front of the entire neighborhood—Stomp on it!—Jump on it!—Crush it! Then send us the smashed bag (wrapped please) with the stomped chips in it and we'll return you 59¢.

How's that for satisfaction guaranteed? You can protest without cost.

Of course we're sure you'll love Cardinal potato chips, or we wouldn't make this offer. We know Cardinal fans are chompers, not stompers.

BIRTHDAYS CELEBRATED

A combined anniversary and birthday dinner was held Sunday in the home of Mrs. Chester Ashley, 1737 Third street.

The anniversary of Mr. and Mrs. Ed Ashley and the birthdays of Christine Ashley and Wade and John Ashley were observed. They received gifts and the table was decorated for the occasion.

Guests were Mr. and Mrs. Larry Ashley and son, Jeff, of Danville, Ill., Mr. and Mrs. Jim Ashley and son, Wade, of Quincy, Mr. and Mrs. Ed Ashley and daughter, Christine, of Maryland Heights, Mo., and Mr. and Mrs. Wade Rollins of Granite City.

CLASS PLANS MOTHER-DAUGHTER BANQUET. The Vota Vita Sunday school class of First Baptist Church met in the educational building of the church Monday evening.

Mrs. Marie Lassen gave the devotional, using the topic "Let's Be Happy Christians," followed with Bible reading.

Roll call was responded to by quoting Bible verses using the word "God."

A committee was named to make plans for a mother-and-daughter banquet to be held in the educational building May 13.

Members taking part were Mrs. Betty Rogers, Mrs. Zelma Finch, Mrs. Virginia Gullidge and Mrs. Monnie Jackson.

13TH BIRTHDAY PARTY. Miss Sandra Kay Serini was honored on her 13th birthday Sunday. Her grandparents, Mr. and Mrs. Lester Thiele, entertained in their home, 1509 St. Clair avenue, with a family dinner and Easter party.

The room was decorated in keeping with the theme and two decorated cakes were used for centerpiece. Cards and gifts were presented to the honored guest. Her parents, Mr. and Mrs. Robert Serini, Mr. and Mrs. sister, Sharon, 1927 Third street, were among the dinner guests.

Mrs. Cora Barr was elected president of the Madison Ladies City Organization at a monthly meeting Monday evening.

Mrs. Sally Bosworth, president presided over short business meeting prior to the election of officers for the club year.

Others elected were Mrs. Marie Stawar, vice-president; Mrs. Nigel Maeras, secretary; Mrs. Ann Blalock, treasurer; Mrs. Vera Sekora, marshal; and Mrs. Juanita Brown, chaplain.

Installation will be held at the May meeting at the Sportsman's club. Each member is to bring a covered dish for the dinner.

A social evening followed, with the monthly prize going to Mrs. Vivian Anselmo.

Mrs. Vicki Skundrich, Mrs. Marie McDaid and Mrs. Donel-da Maeras, hostesses, served refreshments to those mentioned and Mrs. Nettie Gnojewski, Mrs. Veronica Kula, Mrs. Hazel Swigert, Mrs. Julia Voloski, Mrs. Violet Badger, Mrs. Maxine Costoff and her guest, Mrs. Versie Neil, who resides in Birmingham, Ala.

'Duck-napper' Gets  
Family's Pet

A boy about ten years old dashed into a pen at the rear of the home of Edna Smith, 720 Twenty-sixth street, about 11 a.m. Tuesday, grabbed up a large, white pet duck and fled down the street.

Police searched the neighborhood but they were unable to find either the boy or the duck.

Jennison-Wright  
Submits Sewer  
Plan to Council

A sewage treatment plan for Jennison-Wright Corp. on West 22nd street at the railroad tracks was submitted to the Granite City council Monday night by Stanley Bell, plant superintendent. It was referred to the pollution plant committee for study and recommendation.

The industrial plant's system is designed to remove oils and sludge from the wastewater by using an evaporator tank system and is expected to be in operation within a short time.

City officials had decided to take court action against the company because of reported damage to equipment at the treatment plants from materials described as cresote.

Bell said in his letter to the council that a sample provided by the treatment plant superintendent was tested by an independent firm and it was indicated that cresote was not present.

Enlists in Army. Phillip Grimes, 19, a son of Mr. and Mrs. Lester Grimes, 2610 Edison avenue, has entered in the U. S. Army and is undergoing basic training at Fort Leonard Wood. He is a 1967 graduate of the Madison high school.

Nancy Little, who resided in Madison and Granite City and is the daughter of Mr. and Mrs. Edward Little.

Points of interest were viewed during the vacation. The Astro dome in Houston was toured and Mr. and Mrs. Grakianoff flew from Houston to San Antonio to view the HemisFair.

On the return trip, the four called on former neighbors of the Littles when they resided in Longview, Tex.

By accident, while the four were having breakfast in a restaurant in Houston on their return trip, they met Mr. and Mrs. W. Poole of Granite City, who were on their way to Houston.

Mr. and Mrs. Thompson plan to visit in Granite City in September.

"FOOD AND HEALTH" TOPIC OF TOPS CLUB. Sandra Lane was crowned queen at a weekly meeting of the Ship Lanes Top club Tuesday evening at Schermer's civic center. Penalties were given those who qualified.

Mrs. Diana Gile read a topic, "Your Food and Your Health." A singalong and games were held prior to closing prayer by the chaplain, Helen Towles.

Those responding to roll call were Mary Ann Hall, Jackie Gattuso, Yvonne Passig, Lois Hansen, Elinor Baird, Elizabeth Bucher, Rose Henderson, Shirley Friles, Margaret Christensen, Demona Holkamp, Pat Eaton, Juanita Herrington, Agnes Stancic, Frances Dolezal, Elsie Joiner, Bea Steintzer, Hazel Trotts and a guest, Mrs. Alberta Mikolajczuk.

Record John-Manville Sales in First Quarter. Sales of John-Manville Corp. for the first quarter of 1968 set a new record in earnings improvement over the same period last year. C. B. Burnett, president, yesterday advised William L. Miltmore, manager of the John-Manville Products Corp. plant at 1226 Bissell street, Venice.

Sales for the first quarter amounted to \$111,876,000, compared with \$104,115,000 in January-March 1967, and earnings were \$5,348,000 or 64 cents a share of common stock, compared with \$4,987,000 or 59 cents a share. Burnett cited some-what firmer selling prices, plus moderate gains in residential building and greater demand for J-M raw materials.

Committee Reports  
On City Finances

Financial problems of the city were outlined for 10 officials of the Manufacturers Association of the Tri-Cities by the Granite City council's Finance committee Tuesday evening.

The meeting was called by the manufacturers to get information on the city's financial condition and what steps can be taken to correct the problems.

Alderman Paul Rutledge, committee chairman, said a special meeting of the council has been called for 7:30 p.m. next Wednesday to discuss this year's delayed tax collection, and what possible steps can be taken to increase the city's income in face of wage in-crease demands and rising costs.

In advance of the special council meeting, Rutledge and committee members, Aldermen Richard Fry and Earl Jarrett, are to meet Tuesday with Comptroller Robert Stevens to review possible avenue for tax increases.

Tuesday's meeting was requested by the manufacturers, headed by A. P. Steinhauer of American Steel Foundry, who by the city, including the 5% utilities tax. The group offered to analyze the various taxes and to determine amounts and income.

Man, Snake, Motorist Cause Venice Ruckus. Venice police received one of those unusual calls about 8 p.m. yesterday.

"There's a man down on Weaver street, 10 miles from around," the caller told the desk sergeant.

Officers answering the call found a young man on the street corner handling a large snake. It was about four feet long, officers reported.

They told the man to take his pet and get out of the area. The snake handler, whose name police did not learn, got into a nearby car whose driver was A. J. Holloway, 31, of 1004 Logan street.

Holloway became abusive, officers said, and told them he was going to burn down the town. They quoted Holloway as saying "no one else has got around to it yet."

Police said he raised such a disturbance they took him to police headquarters and booked him on a disorderly conduct charge. A magistrate hearing is pending.

The man with the snake meanwhile had disappeared.

**GOODRIDGE'S CELEBRATE FIFTH ANNIVERSARY**

Mr. and Mrs. Roy Goodridge, 112 Troecker lane, celebrated their fifth wedding anniversary Sunday. Mrs. Goodridge was able to attend Easter services at the Nameoki Presbyterian Church, going there for the first time since suffering a heart attack March 15.

The attack caused her to have a bad fall and hospitalized her at the Christian Hospital in St. Louis until April 6, when she returned to her home. While hospitalized, she underwent two minor operations on April 2.

She is still undergoing therapy treatments in visits to DePaul Hospital. Those attending the celebration were Rev. and Mrs. Gail Cross, officers and members of the congregation, relatives, friends and neighbors. The couple was showered with gifts, flowers and congratulatory messages. Mrs. Goodridge said, "I have never appreciated so much in my life how nice people can be in a time of illness."

SECRETARIES' WEEK will be observed April 21-27 by a proclamation signed by Mayors Stephen Maeras of Madison, Donald Partney of Granite City and Dr. John Lee of Venice. Standing, left to right, are Mrs. Peggy Moore, Mrs. Pat Sparks, Mrs. Joy Augsburg, chairman and Betty Davis, co-chairman, not present for the picture.

## PROCLAMATION

### SECRETARIES' WEEK

WHEREAS, in honor of the Secretary, the week of April 21-27, 1968 has been designated as Secretaries' Week, and WHEREAS, in keeping with the best traditions of their profession, secretaries are accepting vital responsibilities and are performing important roles in commerce, industry and government; and WHEREAS, the efforts of these skilled office workers are usually taken for granted and their many contributions to the nation's progress are unrecognized; and WHEREAS, to honor the secretaries now doing their jobs diligently and to encourage others to enter this worthy career, it is essential that rightful recognition be given them.

NOW THEREFORE, WE, Donald Partney, Mayor of the City of Granite City; Stephen Maeras, Mayor of the City of Madison, and John Lee, Mayor of the City of Venice, do hereby declare the week of April 21-27 Secretaries' Week and ask that all business and industry join in giving due recognition to this group, paying special attention to Secretaries' Day on April 24, 1968.

## Secretaries' Week to be Observed Here April 21-27

A complete schedule of local events in observation of Secretaries' Week, April 21-27 has been announced by Helen Gieszelmann, president of the Tri-Cities Chapter of the National Secretaries Association.

"In formulating our plans, we were guided by our slogan, 'Better secretaries Mean Better Business' and by our official NSA Motto, 'Better Learning, Better Letters, Better Living,'" said Joy Augsburg, co-chairman of Secretaries' Week.

"We hope during this week, which is in honor of all secretaries everywhere, to bring to the attention of the community our continued dedication to the elevation of the secretarial profession in its vital role in business, industry, education, the professions, and government," she added.

The following are the dates and times for events scheduled for the local observance: Sunday, April 21, the Tri-City Chapter will start the week by attending the 8 a.m. mass at St. Elizabeth Church.

Monday, April 22, and Tuesday, April 23, approximately 45 local senior high school secretarial students have been invited to spend a day in the office for some "on-the-job" observation. They will be placed in local offices.

Tuesday, April 23, the group will breakfast at Burns cafeteria.

Wednesday, April 24, the secretaries will attend luncheon at the Stadium Club in St. Louis.

Thursday, April 25, will conclude the week with a banquet at the Officers Club of the Granite City Army Depot. Rex Davis, Knox radio's new director, will be the guest speaker.

## RETURN FROM EAST

Mr. and Mrs. Malcolm Thompson of Breckenridge lane have returned from Silver Spring, Md., where they were guests for several days of their son and daughter-in-law, Dr. Donald M. Thompson and Dr. Annette Thompson and their son, Marc. A son-in-law and daughter, Mr. and Mrs. Stephen Johnson and Harry Davidson of Cape Girardeau, Mo., were recent guests of the Thompsons and Mr. and Mrs. Roy Johnson of Chouteau avenue, Mitchell. A niece of the Johnsons, Kelly Connell, returned with them after a visit here.

MISS MAYBELL LEE, whose parents, Mr. and Mrs. Bing Lee, 1812 State street, are announcing her engagement to Michael Gene Flach, son of Mr. and Mrs. Adolph Flach, 3144 Davis avenue.

## Flach-Lee Engagement

The engagement of Miss Maybell Lee and Michael Gene Flach is being announced by the bride-elect's parents, Mr. and Mrs. Bing Lee, 1812 State street.

Mr. Flach is the son of Mr. and Mrs. Adolph Flach, 3144 Davis avenue. A 1967 graduate of the local high school he is presently enrolled in the College of Engineering at the University of Illinois.

Miss Lee is in her freshman year at Southern Illinois University-Southwestern campus in preparation for a career in medical technology.

Wedding plans have not been made.

## Says U. S. Pollution Controls Necessary

Meaningful air pollution control can be achieved only if the federal government takes the lead, according to Terry Francis of Granite City, Democratic candidate for state representative of the 55th representative district, said here Tuesday.

"Federal legislation to date has been largely ineffective because it requires a state to ask for federal help," Francis said.

He noted that with competitive industries operating in several states, a state which imposed stricter standards than the others would place its industry at a competitive disadvantage. Federal legislation so far has accomplished little more than collection of data, he added.

"With federal leadership," Francis said, "it would be possible to adopt local standards within the federal framework so that actual implementation of controls could be handled on a more personal local basis."

## Special Registration Schedule Announced

A complete schedule of special registration centers to be conducted by the office of Miss Eulalia Hotz, Madison county clerk, at which new voters may register for the June 11 primary election and currently registered voters may make any changes necessary in their registration records, was announced today.

In addition to a series of special registration centers located in stores and public places, registration work also will be aided by use of the county clerk's new mobile registration unit — a motor van furnished with equipment necessary to take registrations and record changes.

Miss Hotz said the mobile unit will be used primarily in rural areas where it is more difficult to find centralized registration locations, but also will be assigned to several points in the Quad-City area.

In addition to the special registration centers that will be conducted from now until the deadline registration date of May 13, nine permanent deputy registrars are located in the Quad-City area and will accept new voter registrations and record changes at any time during their regular schedules. The permanent deputy registrars are:

**List Deputy Registrars**  
Granite City — Mrs. Olive Sigite, 2229 Bryan avenue, evenings by appointment, phone 877-2558; Mrs. Rose Turner, 2141 Waterman avenue, 6 to 8 p.m. Saturdays by appointment, phone 931-4126; Mrs. Betty Schulze, 2336 Warren avenue, by appointment, phone 877-4778; Mrs. Elvira Thurber, 1832 State street, 9 a.m. to 5 p.m. daily, 9 a.m. to noon Saturdays, evenings by appointment.

ings by appointment; phone 876-0535 at office, 876-3618 at residence.

First use of the new mobile registration unit in the Quad-City area was made Monday at Pontoon Beach when it was stationed on the parking lot of the Long Lake Fire department from noon until 8 p.m. A further schedule for the unit is planned in this area, Miss Hotz said.

The mobile unit will be stationed Saturday at 1044 Logan street, Venice, from 9 a.m. until 3 p.m., and again on April 26 at the Granite City Community Center on Niedringhaus avenue from 1 to 8 p.m. The unit will be on hand April 27 in the vicinity of the Dunbar grade school from noon to 5 p.m., on May 2 at Arlington Heights at the apartment complex on Arlington road from 1 to 7 p.m.

On May 4 the unit will be stationed in Granite City again on the parking lot of St. John's Lutheran Church, St. Clair and Dale streets, from 9 a.m. until 5 p.m.; on May 9 in Chouteau Heights at Richard's Highway Skelly station, Route 3 and Bypass 66, and on May 11 at Harrison's Center, 301 Harrison street, Eagle Park Acres.

### Special Centers

Special registration centers attended by deputy registrars are included in the following schedule:

Granite City — Tomorrow, April 19, Granite City Trust & Savings bank, 4 p.m. to 7 p.m.; Fitter's Thrifty Store, 4065 Pontoon road, Saturday, April 20, from 10 a.m. to 5 p.m.; April 27 at Maryland Bi-Rite Market, 2205 Pontoon road, 10 a.m. to 5 p.m.; April 27 at Kirkpatrick Homes Recreation Center, 10 a.m. to 3 p.m.

Kroger's, Nameoki Village shopping center, May 3 from noon to 8 p.m. and May 4, same hours; May 4 at Anchorage Homes Recreation hall, 10 a.m. to 3 p.m.; May 11 at Cohen's Foods, 2201 Illinois avenue, from 10 a.m. to 5 p.m. Madison — Saturday, April 20,

Schermer Bros. Market, 1125 Madison avenue, noon to 8 p.m.; May 4, West Madison Recreation Center, Third street and Washington avenue, 4 to 9 p.m.

### 2 Centers at Mitchell

Mitchell — Saturday, April 20, Presley Market, noon to 8 p.m.; April 27, Hawk's store, 10 a.m. to 4 p.m.

### State Park Place—State Park

Place school, May 4, noon to 7 p.m.

Venice — Tomorrow, April 19, Tri-City Grocery, 400 Broadway, noon to 8 p.m. Saturday, April 20, Tri-City Grocery, noon to 8 p.m.; Eagle Park Acres, April 27, noon to 8 p.m.; April 27, Viola Jones Homes, 1 p.m. to 8 p.m.

Newly qualified voters may register and record changes may be made at any time during regular hours of the county clerk's office at Edwardsville. Miss Hotz said she has made arrangements to keep the county clerk's office open until 8 p.m. between May 6 and May 13, final date for registrations.

## L. H. Stacy Promoted, On Admiral's Staff

Larsen H. Stacy, former Granite City resident now serving in the U. S. Navy, has been promoted to aerographer's mate, 2nd class, and is currently assigned to the staff of Rear Admiral Charles S. Minter Jr., commander of Carrier Division 16, Hunter Killer Force of the U. S. Atlantic fleet, headquartered at Norfolk, Va.

Stacy is the husband of the former Miss Karen Sue Reeves of 2015 Sherman avenue, Granite City, and is the son of Mr. and Mrs. James L. Stacy of Rural Route Two, Edwardsville.

He entered the Navy on Dec. 15, 1964, and trained at San Diego, Calif. He attended aerographer's Class "A" school at Lakehurst, N. J., and was assigned to the Joint Typhoon Warning Center at Guam. He then returned to Lakehurst to attend Air Ocean Environment school. Stacy attended Granite City high school prior to entering the Navy. He plans to enter Southern Illinois University upon his discharge in December.

### Four Hubcaps Stolen

**PRESS-RECORD AD SALESMAN**, Ralph McKinney, describes to members of Junior Girl Scout Troop 104 how newspaper ads are put together from original layout into metal. P-R compositor, William Diener (right), puts final touches to a page for today's issue.

## Jr. Girl Scout Troop Tours Press-Record

Junior Girl Scout Troop 104, sponsored by St. Joseph's parochial school, toured the Press-Record facilities Monday afternoon, escorted by Ralph McKinney of the newspaper's advertising department.

Those present were Vickie Guenther, Margaret Decker, Mary Anne Kamadulski, Debbie Vasiloff, Margaret Clark, Carol Hildebrand, Phyllis Guenther and Sandra Vasiloff. The girls were accompanied by Mrs. Patricia Rigney, leader, and Mrs. Ann Vasiloff, co-leader.

### Battery Cable Cut

Chris Hoffman, 2801 Roosevelt street, reported at 8:15 a.m. Tuesday that vandals cut the battery cable of his 1965 auto while it was parked on the street at his home.

## Two Rabies Clinics Set for Saturday

Anti-rabies inoculation clinics for Nameoki township and Venice and Madison pet owners will be held Saturday.

Drs. Leland Holt and Larry O. Tadlock, local veterinarians, will conduct a clinic from 12:30 to 2 p.m. at Bob's tavern, Third and East Madison streets, and from 2:30 to 4 p.m. at the Venice city garage. The fee is \$3 for each pet.

Other clinics in Nameoki township will be held from 12:30 to 2 p.m. May 4 at the State Park fire department; 12:30 to 2 p.m. May 11 at the Long Lake fire department; and 2:30 to 4 p.m. May 11 at Jones Lumber yard, 1833 Minerva street.

The Madison-Venice clinics will be conducted May 4 at the Madison city garage.

## Marriages Up, Births Down in Madison County

The number of marriages and deaths showed an increase in Madison county during March, compared to figures of March, 1967, while the birth-rate declined slightly, according to vital statistics compiled by Miss Eulalia Hotz, county clerk.

There were 302 births, including 156 boys and 146 girls, and one set of twins last month, compared to 306 births including 137 boys and 169 girls and three sets of twins the previous March.

There were 184 marriages, an increase of 46 over last year, and 182 deaths, an increase of 34.

## Council Tables Zone Change Bill for Duplex Development

In view of petitions signed by 165 persons and a delegation of about 45 persons, Granite City council members tabled an ordinance for rezoning an 11-acre tract for duplex dwellings at Wilson Park Estates subdivision.

The property owners stated in the petitions that they opposed the proposed development in the vicinity of Michigan and Cunningham avenues because of the adverse effect on their property values.

The area presently is zoned R-2 for single family dwellings, and the development, which was approved by the City Plan Commission, was to have been carried out by the Reinhardt Agency, developer of Wilson Park Estates.

Alderman Whitmer objected to the tabling action by Alderman Norman, Ordinance committee chairman. "I want to talk on it," Norm pointed out there was no discussion on an issue when a tabling motion is on the floor.

### Table—No Debate

Norm said, "You all know how the people feel and how the aldermen of the ward feel about this. I motion to table this ordinance. No debate."

The vote on the tabling motion was 15-10 with Whitmer dissenting. "I don't like the method used here," Whitmer said upon voting.

After the roll call, he said that should the tract be developed with streets and sidewalks in accordance with the city's subdivision control ordinance, he might be in favor of it. I toured the area recently and there are nice single-family homes with concrete streets and sidewalks. The streets planned for this development are only 20 feet wide and there are no sidewalks."

The developers' plans were for a private area with 38 ranch style duplex dwellings with a private drive entrance off Wilson Park drive.

Two side property line variations approved by the Zoning Appeals Board were presented.

to the council by Alderman Ruleses, chairman of the Planning and Zoning committee. Approved by the council was the variance for construction of a four-family apartment structure at 2203 East 25th street with a three-foot side property line. The apartment is to be built by Howard Steele of 15 Fairway lane.

Referred to Seventh Ward aldermen was the request by Albert Misselhorn, 2809 Grand avenue, to erect an unattached garage at 2832 Grand avenue, with a one-foot side property line.

## GC Kiwanis Discuss National Events

Roy Graham served as the program chairman for the meeting Monday evening of the Kiwanis Club of Granite City. He led an open forum discussion on current national events.

During the business meeting the club voted to sponsor a youth between 14 and 18 years old to attend the 4-H camp this summer.

Marvin Barnes, Michael Toundas, Freeman Wolfe and Roy Francis will attend an observance of Law Day USA to be held May 1 at the Granite City Engineer Depot; for a luncheon from 12 to 1:30 p.m.

Plans were completed for 30 members to attend a baseball game in St. Louis on May 29. Toundas, president, announced the annual boat races to be held at the Bowling Green in Hartford have been rescheduled for July 14.

A guest attending the meeting was George Cook from Columbus, Ohio, now with Miles Laboratories in this city.

Toundas announced the next meeting to be held on April 22 will be conducted at the meeting room above The Den at 24th and State streets, for this time only.

## Federal Loans Available To Needy Farm Families

A small amount of credit to needy farm and rural families may prove to be one of the federal government's biggest weapons in the battle against rural poverty.

This is the feeling of Harold F. Kiepe, county supervisor for the Farmers Home Administration for Madison, Monroe and St. Clair counties.

The Economic Opportunity loan program enables eligible farm and rural families to get capital to finance farm or business enterprises that will lead to increased income. These loans offer help for the first time to many rural families who previously were unable to obtain credit to improve their earnings.

Loans are also available to rural cooperatives serving low-income families and providing services and facilities not otherwise available.

Borrowers are provided continuing management aid to help them make a success of their farming or new business.

Farm families may obtain loans to finance agricultural enterprises. Funds may be used to purchase livestock, machinery and equipment, construct or repair farm buildings, pay annual operating expenses for seed, feed and fertilizer, refinance real estate debts and purchase land.

The loans also may be used to buy shares in small cooperatives that serve rural people. Farm and nonfarm families living in the country or in small towns of not more than 5000 population may obtain loans to finance non-agricultural enterprises.

Economic opportunity loans may be made in amounts up to \$3500, bear 4 1/2% interest, and may be repaid over periods of

up to 15 years.

Eligible applicants must have an income that does not cover basic family living needs, be unable to obtain credit from other sources, including the regular loan program of Farmers Home Administration, and show a reasonable promise of succeeding in the enterprise to be financed by the loan.

Loans are made through the Farmers Home Administration office located at 415 East Main street, Belleville. The office hours are from 8 a.m. to noon and 1 to 5 p.m. Monday through Friday. Supervisor Kiepe is in the Belleville office every Monday morning from 8 until noon and other days by appointment.

He has office hours at the Agricultural Stabilization and Conservation Service office in Edwardsville the first and third Tuesdays of each month from 10 a.m. until noon and at the Agricultural Stabilization and Conservation Service office in Waterloo the second and fourth Tuesdays of each month from 10 a.m. until noon.

## Area 'Clean Up-Fix Up' Drive Planned by C of C

Plans for a total community "Clean Up - Fix Up - Paint Up" campaign to aid in promotion of safety, fire prevention and general improvement of the appearance of property have been announced by the executive committee of the Chamber of Commerce of the Tri-Cities.

The campaign is programmed for a two-week period from May 5 through May 18 and industries and business will be asked to specify to the Chamber the type of program to be undertaken. Forms are being mailed to plants and business locations for return to give the cleanup committee an idea of the projects scheduled.

In general, the Chamber is suggesting that firms may improve the attractiveness of street and highway sides of their plants, repaint trucks, loading platforms, fences and similar projects, turn part of the company land into departmental gardens, a park or a ball field, plant a memorial tree or start planting in some park or along a drive.

Other suggested projects include resurfacing of parking lots or drives, inspection and improvement of sidewalks, donation of packages of flower seeds to each employee, placing clean-up messages on pay envelopes, supplying clean-up of the drive.

pesters and using house publications to inform employees of the company's participation and urging similar clean-up programs by employees.

Erle West, chairman of the Industry - Contractors subcommittee of the Clean-Up Campaign, said companies are urged to begin their programs as soon as they wish with plans to complete it during the Chamber campaign period. Still others he said, may begin programs during the campaign and continue them past the final date of the drive.

## The Garden Corner

### Moon Signs

Moon signs are a favorite topic of discussion by many gardeners. And some do plant by the sign of the moon.

One of these days we may be planting things on the moon. However, until that day arrives, we will continue to plant things in the ground on the earth.

There is no scientific evidence to support moon signs in gardening according to University of Illinois horticulturist Joe Vandemark.

The success in gardening is dependent upon many things besides the moon, and most of these are basic in garden care and common sense.

Weed Control Weeds are a major problem in a crop such as strawberries. Hand control is one of the best methods but it is also the most difficult and time consuming.

There are chemicals that can help control many of these problem weeds. The problems involved in the use of chemicals are getting the right amount applied, care in application and finding the source of supply.

The most widely used materials for weed plantings are Dacthal (CDA) and Sesone. For strawberries, now is the best time to apply a herbicide. Use either Dacthal or Sesone, or combine the two into one application.

These materials will not control weeds that are already up. These will have to be hoed out. A few weeds generally escape chemical control and these, too, will have to be cut out.

Sesone can be used as a pre-emergence material for control in brambles. Apply to weed-free soil now, and again after harvest.

These materials are usually effective against weeds for 30 to 60 days. Repeat applications are necessary for continued control throughout the season.

Spraying Fruit Plants Apple blossom time is not far away as the recent warm weather has pushed apple buds out of hiding. In southwestern Illinois, apple flower buds are now in the pre-pink stage. This is the signal for the application of the pre-bloom spray for apples, peaches, cherries, pears, and some plums.

Trees that have open blossoms should not be sprayed at this time. You should avoid applying pesticides to all fruit trees.

The spray at this time should include both an insecticide and fungicide. An all-purpose spray mixture is good to use or mix your own with malathion, methoxychlor and captan.

Small fruits such as strawberries and raspberries can also be sprayed now.

## Free Booklet to Protect Buyers

Atty. Gen. William G. Clark today issued a new brochure designed to help safeguard Illinois consumers from fraud and deception.

The booklet-size booklet, available to the public free of charge, lists many of the new consumer protections provided by a series of new laws, which became effective Jan. 1.

Explained, for example, is the new three-day "cooling off" law, which allows the buyer three full business days in which to cancel a contract on unsolicited door-to-door sales of \$50 or more.

The booklet cautions buyers against other fraud techniques and cites actual examples of "bait" advertising, referral selling, false advertising, misrepresentation, debt harassment, selling under false pretenses, phony repairs and self-improvement contracts.

The attorney general lists other protective buying tips relating to contracts, oral agreements, sale "lures" and explains where and how to get help if the consumer suspects he has been defrauded.

The booklets are available from: William G. Clark, Consumer Fraud Division, 160 North LaSalle street, Chicago, Ill. 60601.

## Sewage Flow in Month 287,000,000 Gallons

The financial and operational reports for the city's sewage treatment plant for March were accepted by the Granite City council Monday night.

An appointment by Mayor Parney for Eugene Hoffman, 333 Colgate drive, to the job of temporary operator for the treatment plant during the vacation period was approved. Hoffman started Tuesday at a salary of \$545 a month.

Alderman Moerlein, chairman of the treatment plant committee, reported that during March, 287,000,000 gallons of sewage was pumped and treated at the plant. He also said that the lone operator on the midnight shift at the plant has arranged for telephone contacts with the police department every two hours, with police to

# Announcing Chevrolet's new Torque-Drive.

Nobody else offers anything like it at the price.

Torque-Drive does away with the clutch pedal. Most of the shifting, too. And for the most economy, it's available exclusively on all Camaros and Chevy II.

Novo 4- and 6-cylinder models. Look how simple it is. You accelerate in 1st, then shift to Hi for cruising. That's all. If you like, you can even start in Hi. And accelerate from standstill to cruising speed. It's just a little slower that way.

The shift lever is conveniently located on the steering column, and there's a selector quadrant with easy-to-read indications: Park-R-N-Hi-L. Only your Chevrolet dealer has it—clutchless driving at only \$68.65.

## At Appreciation Dinner

Boy Scouts to Honor  
Graham, Lewis, Adamson

Three local Boy Scout leaders who have attained the status of 50-year veterans will receive special recognition at the annual appreciation dinner of the Cahokia Mound Council, it was announced today by Carl Matthias, council president.

The council will recognize Carl Graham, Associate Judge Austin Lewis and James Adamson for their long service at the dinner to be held Saturday at the Southern Illinois University-Southwestern campus.

The three will be presented with Scouters' pins indicating their many years of service in scouting. G. H. Sternberg, past council president and a member of the regional scout executive committee, will make the presentations.

Each veteran will receive a letter from Alden G. Barber, chief scout executive, who wrote: "You can take personal pride in the growth of scouting and the influence it has had on our country. As one of the pioneer leaders of your council, you have helped to mold our image as a responsible force for action across America."

Graham began in scouting in 1917 as an assistant scoutmaster of Troop 1 in Granite City. Through his efforts and direction the first scout camp was held on Stout's creek near Ironton, Mo., in 1918.

In 1920, Graham and other local leaders organized the first scout council, and now he is the only living charter member. He was active on council camping and finance committees, and for the past 48 years has been a member of the executive board.

In 1936 he was awarded the Silver Beaver for distinguished service to boyhood. Many boys have gained employment in his book store.

Judge Lewis' Service

Judge Lewis entered scouting in 1917 as a Boy Scout in St. Louis and transferred to Troop 1 in Venice. He served as an assistant unit leader, troop committee member, scoutmaster and member of the council executive board.

He is active on the council camping committee and trust

fund promotion. His two sons, Stephen and Austin Jr., are Eagle Scouts and are active in Explorer Post 6 and Troop 8 in Granite City.

Judge Lewis also is an Eagle Scout and received the Silver Beaver in 1940 for distinguished service to boyhood. He served as council president in 1938, and 1946 to 1948.

Adamson began his scouting career as a scout in 1917 in Troop 9, East St. Louis. He has served as a scoutmaster in East St. Louis, Murphysboro and in Greenville, Miss. In addition, he has been a troop committee member, district chairman, council campaign chairman and has served on the executive board.

He now is serving as the Illini district camping chairman and as business manager of Camp Sunner. He received his Eagle Scout badge in 1920 and the council Oscar in 1938 for his service to scouting.

Each veteran will receive a letter from Alden G. Barber, chief scout executive, who wrote: "You can take personal pride in the growth of scouting and the influence it has had on our country. As one of the pioneer leaders of your council, you have helped to mold our image as a responsible force for action across America."

### James Daily Completes Great Lakes Training

Mr. and Mrs. Arvil A. Daily, 3119 Princeton drive, are being advised their son, Seaman Apprentice James R. Daily, USN, 21, has been graduated from nine weeks of Navy basic training at the Naval Training Center, Great Lakes, Ill.

During his training, he studied seamanship as well as survival techniques, military drill and lived and worked under conditions to those he will encounter on his first ship or at his first shore station.

Granite City finance officials have dipped into one of its few remaining reserve funds to supplement low balances in the city's major departments and to try to ward off deficits until new tax collections are made this summer, according to the monthly report by City Comptroller Robert R. Stevens to the city council Monday night.

Stevens said that during the first two weeks of this month, \$50,000 was transferred out of the sales tax fund for the police department and Monday night another \$57,000 transferred to other departments to bolster declining operational balances.

As of March 31, the sales tax fund showed a balance of \$112,404. The transfers reduced the balance to \$54,004. However, the city received notice Monday night from the State Department of Revenue its January allocation of sales tax fees amounting to \$34,176, bringing the current balance of the city's sales tax account to \$59,580.

**Other Transfers Made**  
Prior to the transfers made this month out of the sales tax account, a total of \$419,081 in transfers to other funds were made by the city to pay operational costs of various city departments, the report said. Total receipts in the sales tax fund during the current fiscal year, now in its final month, have amounted to \$282,782. The city began the fiscal year May 1 last year with a \$189,603 balance. The remainder repre-

sents sales tax fees allocated by the state. That the city faces a critical financial problem during the next few months was seen in the fact that a balance of only \$159,000 remained in all 17 accounts of the general fund as of April 1.

In addition to the \$39,580 balance remaining in the sales tax fund, the only remaining reserve fund that could be applied toward departmental expenditures of other city accounts is \$88,687 in the parking meter fund. Stevens told the Press-Record Tuesday that the city will have to operate at least another four months before it begins receiving 1967 taxes collectable this summer. Expenses out of the general fund, including salaries and claims, average about \$110,000 per month. Of this amount, about \$80,000 represents salaries.

**City Can Borrow**  
The comptroller said every effort will be made to continue operations in the black until new taxes become available, pointing out that after the beginning of the city's new fiscal year on May 1 the city will be able to borrow from its working cash fund in which there is a current balance of \$183,529.

Use of working cash funds is considered only temporary relief, however, since any amount borrowed from the fund must be repaid within the same fiscal year in which it is borrowed. Consequently any monies borrowed from the working cash fund would have to be repaid with the first tax income received this year. On the basis of operations thus far in them fiscal year the average monthly cost of the police department has been \$26,246, while the average monthly cost of the fire depart-

ment was \$25,556 and the street department \$17,872, Stevens' report showed. **Four Months To Go**  
It appears likely the city will incur another \$450,000 in expenditures out of the general fund before new tax money becomes available in late July or early August.

During that period the city's only apparent available funds will consist of the \$159,000 balance in the general fund, \$88,687 balance in the parking meter fund, the \$39,580 balance in the sales tax fund and four monthly allocations of tax money from the state approximating \$60,000. This is a total of \$377,357, or \$72,643 short of meeting expenses during the next four months if operations continue at their current level. Total balances of all city special accounts was \$603,095 as of

April 1, Stevens reported. This total balance, however, includes the figure of \$193,229 available in the working cash fund. It also includes the balance of \$88,687 in the parking meter fund and the balance of sales tax monies.

**List Account Balances**  
At the beginning of this month the balance in the general fund account for the city department was \$12,111, \$36,286 in the street department account and a \$898 deficit in the police department account. Total expenditures of these larger departments during the 11 months of the fiscal year include \$281,121 for the fire department, \$194,363 for the street department, and \$310,709 for the police department. Total general fund expenditures during the 11 months amount to \$1,265,504, while all expenditures out of special accounts total \$571,291.

### Venice to Strictly Enforce License Code

Plans for strict enforcement of business license requirements under the new city code adopted recently by the city of Venice were announced Tuesday by Chief of Police John Essington. Letters are now being mailed to all Venice businessmen, truckers and others affected by the new laws notifying them that license payments are due May 1, beginning of the city's new fiscal year.

Chief Essington said the police department plans an intensive drive this year for 100% collection of license fees and that the enforcement will be extended to purchase of wheel tax tags by car owners living in Venice. The wheel tax fee is \$5.

The new city code includes a number of businesses that were not previously required to pay license fees and changes some license fee payments. Fees range from a minimum of \$5 in one category to \$150 for operators of dumps and junkyards.

Essington said purchases of licenses cannot be made before May 1. A grace period will be allowed before the police department begins making arrests of anyone required to pay a license fee and failing to do so.

### Counselor for WACs To Visit Quad-Cities

Early examinations to determine qualifications of high school senior girls interested in joining the U. S. Army, have been scheduled here by S/Sgt. Jadel K. Ferge, Women's Army Corps Counselor for this area. The testing sessions will be conducted at the local U. S. Army Recruiting Office, 1349 Niedringhaus avenue, May 14 and May 28 from 1 to 5 p.m. both days.

In addition to having her high school diploma, a girl interested in joining the Army must pass the examination, a mathematics and verbal analysis test. There is no cost or obligation involved in taking the test, it is merely designed to pre-determine eligibility for further testing and processing should the examinee decide to enlist in the Army.

Sgt. Harold C. Pratte and Sgt. Morris L. Cook, local Army Recruiters will be visiting area high schools soon in order to talk to senior girls about the Army.

### Enlists in Army

Ronnie Wilson, 17, a son of Mrs. Rose Wilson, 2211 Washington avenue, has enlisted in the U. S. Army and is now undergoing basic training at Fort Leonard Wood, Mo., SFC Harold C. Pratte, local Army Recruiter, announced today. Before enlisting Ronnie attended the Granite City schools. He has selected engineer heavy equipment operations and maintenance as his guaranteed enlistment option.

### Brief Board Session

In a brief, two-minute town board meeting Monday night, Granite City council members approved disbursements totaling \$8222. Of the total, \$3281 was spent from the town fund and \$4941 from the general assistance fund for relief purposes.

## Sp. Agent David Williams Training Vietnamese Scouts

Special Agent David C. Williams, an Army Intelligence School graduate, son of Mr. and Mrs. Curtis Williams, 2644 East 24th street, is now at Chu Lai, Vietnam, to train Vietnamese scouts for action combat.

He was graduated from the AIS at Fort Holabird, Md., last January with a sharpshooter medal, and was a third year student at SIUSW before entering the Army. He arrived in Vietnam about mid-February.

In a recent letter to his parents, he wrote:

"If you want to know the work I'm doing now, I'll tell you I'm planning and organizing a training school for Vietnamese scouts.

"Right now I'm organizing a training center for Chieu Hoi, or former Viet Cong and North Vietnamese soldiers. I'm doing this under the direction of the counterintelligence section chief, Robert Howerton.

"The school is being put into action to train the Chieu Hoi or 'Kit Carson' scouts for the entire 23rd Infantry division. It will eventually put 200 Kit Carson scouts into the field on a continuing basis.

"All of the members of the Kit Carson scouts must be former Viet Cong or North Vietnamese infantry troops. At this time we have 30 scouts involving platoon leaders, sapper squad leaders, recon observers, propaganda team leaders and then various village and hamlet guerrillas.

To Lead Against VC.

"Their mission, once trained, is to lead U. S. troops against VC and NVA units to which they belonged, to direct in the

capture of arms and supply caches again serving with U. S. troops, to identify captured and dead VC and NVA with whom they have personal knowledge, to appeal to the citizens of VC-controlled hamlets and villages or return, or 'Chieu Hoi' to the government, cause, to move ahead of U. S. Infantry units seeking to detect ambushes and booby traps.

"Last is a new classified project involving certain elite members of the scouts for special and sensitive operations.

"The scouts presently in the field are extremely successful and well accepted by the U. S. troops with whom they serve.

"In the school they will be taught English, hygiene, topographic map reading, first aid, disarming mines and booby traps, military courtesy and other information.

"They did not have a school like this before, and I'll organize it and be in charge of it. We will have 200 graduates this year.

Religious Training.

"I'm also arranging with the Marine chaplain to give them religious training and Bibles. There will possibly be tape recorded sermons in Vietnamese.

"These scouts have a very high death rate in battle, and I hope some will become Christians before they die."

Agent Williams said he realizes the valuable training he received while a member of the local Boy Scouts and Explorer Post.

He was an Eagle Scout at the age of 13 and received the God and Country Award and the Order of the Arrow award as well as becoming a scout lifeguard.

His present address is —S/A David Williams, HHC Americal, Div. Med. APO San Francisco, Calif. 96374.

His parents said today, "We appreciate what his church, the Boy Scouts and the YMCA have done to help prepare him for his service to our country. We can now say we are glad and happy our boy is in Vietnam and willing for him to stay as long as God has work for him to do there. David plans to enter a Bible college in California to become a youth evangelist when he receives his Army discharge."

"He will be happy to hear from his friends. He says the South Vietnamese people are very brave, friendly and firmly united now. The weather is cool there and they have plenty of good food and recreation. He has a good sun tan and likes Vietnam. He has the beautiful mountains to the west and the South China sea is about 40 yards from where he is living. We pray for all our boys and for peace with victory."

## GC to Install 33 Street Lights--18 in Alleys

Installation of 33 additional street lights, of which 18 are to be placed in alleys, was approved by Granite City council members Monday night.

After the resolution was approved, Alderman Basarich, chairman of the Light committee, said no further resolutions would be submitted, pending adoption of a new budget for the fiscal year which starts May 1.

The lights are to be placed at the following locations in alleys:

At 1822 Poplar street, 2529 Edison avenue, 2635 Benton street, 2874 Washington avenue, 2828 Delmar avenue, 2822 Benton street, 2855 Edison avenue, 2918 State street, 2406 Illinois avenue, 706 Niedringhaus avenue, 1817 Spruce street, 1851 Maple street, 2810 Denver street, 2707 and 2807 West 22nd street, 1619 Poplar street, and 2110 East 20th street.

Three lights are to be placed in the 2900 block of State street between 20th street and Fehling road, and several are to be located at alley entrances along 24th street on the north side between State street and Grand avenue and between Edison and Delmar avenues and on the south side between Edison and Delmar avenues.

Others will be placed at 2521 Buenger drive, 2105 Richmond avenue, 2111 Lindell blvd., on 25th at the alley between Delmar and Edison avenues, on St. Louis street at the alley be-

tween Spruce and Maple streets, 2863 Nameoki drive, 2830 Cayuga street, 3551 Willow avenue, 2513 West 24th street and on the east side of Kate street between Jerden avenue and Propes street.

Authorization was given for a resolution to install a fire hydrant at Amos and Wabash avenues.

weeks on Wednesday afternoons from 2 p.m. to 3 p.m. Diabetics itself is to be discussed as well as the dietary changes advisable.

Miss Schuchman will explain food preparation and personal care. Films of famous people with diabetes leading normal lives are scheduled for the first class.

## Leatherman Again Venice School Board President

Michael E. Leatherman Jr. was re-elected president of the Venice board of education for a fourth consecutive year Monday evening during the board's annual reorganization.

Also by acclamation, board members named as secretary Elmer A. Taylor, who has held the post since the death of John E. Gonslerman in February.

The board canvassed the Venice school election held April 15 in which Taylor, Leo Davinroy and Jack R. Tolliver ran unopposed for three-year terms and Richard H. Bailey, recently appointed to the board replacing the late Mr. Gonslerman, won a seat over another candidate, Willie C. Johnson.

### 451 Ballots Cast

The canvass disclosed a total of 451 votes cast, including 22 spoiled ballots. In addition to those polled by the winning candidates, single votes for three-year terms were cast for Bailey, Steve Wilcox, Dewey Brawley and Larry Bilbey.

Top vote-getter was Davinroy, a 20-year board member, who received 380 votes. Tolliver, named to his first full three-year term, received 376 votes, and Taylor, who was named to his second full term, received 371 votes.

Bailey was elected to complete the two-year unexpired term of Mr. Gonslerman, defeating Johnson 298 to 106.

John O. Pier, Venice superintendent of schools for the past 12 years, was retired for the 1968-69 school year. Retained in the position of assistant superintendent was Robert N. Vickers.

### Other Reappointments

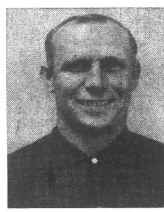

Others reappointed to various paid positions with the Venice school district included Lawrence T. Hartman, school attorney, who will receive the same monthly salary of \$225; and Dr. J. C. Byers, school physician, and Dr. John E. Lee, school dentist, remained at the same \$200 monthly fee for a nine-month period.

Pay for the board secretary was continued at \$125 per month. It was noted that the position of school treasurer, presently held by Donald Phillips, is a two-year appointment, with another year remaining at present.

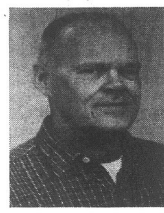

To expedite payment of monthly bills, some of which are not available for approval by the board on the first Monday of each month, the members changed their regular meetings to the third Monday, starting May 20. There will be no meeting May 6.

the Granite City Army Depot, Leatherman resides at 1091 Third street with his wife, Jacqueline, and their three sons, Michael, Frederick and Patrick.

A world war II veteran, he is a member of Venice-Madison American Legion Post 307 and the Venice city planning board. He serves as assistant chief and is a former chief of the Venice fire department, and is chairman of the Sons of the Legion.

Taylor, 49, is employed as an engineer and equipment and mechanic supervisor at the Granite City Army Depot. He is active in the Venice Crippled Children's Organization, Venice Methodist Church, Veterans of Foreign Wars Post 1300 and American Legion Post 307.

He and his wife, Marcela, and daughters, Mary Catherine, Shirley Evelyn, Margaret Ann and Sharon Joyce, live at 622 Broadway.

### Name Technical Center

In other business Monday evening, board members voted officially to rename the newly-established vocational training school the Venice-Lincoln Technical Center.

The building, which formerly housed Lincoln grade school, currently is being refurbished with state and federal funds for an extensive instruction program of vocational and technical subjects.

Although operations and equipment at the school will be financed with state and federal grants, staffing, curriculum, general policy and ownership of the building remain under the control of Venice School District Three.

A breakdown of federal funds allocated to the Venice school district through June 30, 1968, some extending back to the 1961-62 school year—was compiled and presented by Asst. Supt. Vickers.

Title I — \$62,968, first year, \$44,074, second year, and \$41,293, current year, total \$146,355.  
Title II — \$146,665 (first year, \$1426 second and \$1268 current year, total \$2694).  
Guidance — Title V — \$811 in 1961-62, \$330 in 1962-63, \$325 in 1963-64, \$665 in 1964-65, \$1401 in 1965-66 and \$1384 in 1966-67, total \$5316.

Public Law 874 — \$5483 first year and \$5000 second year, total of \$10,483.

Gifted program — \$1962, first year, total.  
General Education Development equipment — \$1630, first year, and \$17,331, current year.

And the breakfast program — \$1835, part of which was expended for refrigerator and freezer equipment at Lincoln school.

Supt. Pier noted that the district expects to receive an additional \$6500 in federal funds under the Title I program prior to June 30.

## Parking Ban Ok'd Along Nameoki Rd. Construction Area

A parking ban is being started along the south section of Nameoki road where construction is in progress.

Alderman Fry called for the action during Monday night's council meeting, pointing out that cars are being parked at every available place and are causing traffic delays as the contractor moves equipment and has portions of the roadway barricaded.

The city adopted an ordinance several months ago to ban parking—required by the state—and the construction area is

to be posted.

Alderman Nomm called for contact with the state highway department on the construction of a connecting roadway along Federal Aid Route 151 for the alleys of Denver and Cayuga streets. "This roadway was promised, but nothing has been done yet," he added.

The city attorney is to meet with officials of the Junior Achievement center, 3307 Wabash avenue, on securing right-of-way to widen Wabash avenue. Alderman Johnson, street committee chairman, said the city will either have to

purchase the tract or get into another arrangement with the non-profit group, aiding it in securing tax-exempt status for the center.

Council members approved a resolution to seek a permit for culverts for the city's new drainage lines to go under Edwardsville road, and in accordance with another state requirement, an additional clause was placed in the motor fuel tax engineering contract with Research Planning & Design Associates to permit termination of the contract after proper notice.

The one-year contract was signed by Alderman Johnson, and is being challenged by Mayor Partney. If the contract is terminated, the city is to get plans for all city projects which the firm has engineered.

An ordinance was approved placing stop signs on Prairie avenue at Ferguson avenue. Alderman Robertson called for the engineer to prepare a resolution to designate the entire lengths of Michigan, Troy, Idaho and Oregon avenues as arterial streets for improvement in the future with motor fuel tax funds.

## Zoning Appeals Board To Hear Permit Plea

The Madison county Zoning Board of Appeals will conduct an on-site hearing Monday, May 6, on a petition for a special use permit authorizing construction of one and two family dwelling units in an R-5 multiple dwelling district in Nameoki township.

The petition was filed by Everett G. and Josephine Price Steele, owners of record, who specified the units would be constructed with septic tanks. The tract of land involves approximately 15 acres and is located in the Wildfire Manor area adjacent to Additions Two and Three at the east end of Buenger Blvd.

## Larry Frazier Arrives Home on Leave

Larry W. Frazier STG-3, son of Mr. and Mrs. Arthur Frazier Jr., 2126 Garfield avenue, is home on leave from the U. S. Fleet Anti-submarine Warfare School, San Diego, Calif.

After graduating second in his class from Surface Sonar Technician A school, he was promoted to the rate of Third Class Petty Officer. Following his leave he will report to San Diego for advanced sonar training.

## THURLOW SPURR Youth Group to Sing At First Assembly

A thirty-voice group known as the Sparrows, directed by Thurlow Spurr from Detroit, Mich., will present a program of sacred music at the First Assembly of God Church, 24th street and Grand avenue, on Sunday at 7:30 p.m.

Spurr, who devotes full time to sacred music, said he does so because of an apparent lack of quality in this field.

"Teens today are thinking young people," says Spurr. "They're concerned about the issues of the day and today's teenager is a young person of action as well as thought. And I find that it is often teens themselves who are most concerned about the trends in music today. They, like many of us, are upset over some of these songs—songs dealing with cheap romance, the kicks of a psychedelic experience, or a frankly hopeless attitude toward life," he added.

The young musician takes this group on a nine-month, cross-country tour each year. During the day, he and his musicians put on high school assemblies on behalf of good citizenship and driver safety. This is the fourth year of the programs and the tour will bring the group before another

## \$136,451 Awarded by Jury in RR Fatalities

A Madison county circuit court jury returned verdicts totaling \$136,451 against the Norfolk & Western Railway Co. over a train-auto accident which occurred at the Maryville road crossing in March 1966.

Killed in the accident were Mrs. Dixie Baker and her daughter, Robin, and another daughter, Deborah, was injured when a passenger train struck their car. The Bakers reside at 4781 Vincent avenue.

The crossing at the time was unprotected, but since the accident, gates and lights have been installed.

Plaintiffs in the suit were Robert Baker, administrator of the estates of the deceased, and Deborah. The railroad was charged with negligence in failing to have adequately protected the crossing at the time of the accident.

The plaintiffs were represented by Roy W. Strawn of the firm of Chapman, Strawn, Kinder & Talbot of Granite City.

Bill H. Terrell, Area Manager for the Franklin Life Insurance Co., of Springfield, Ill., last week attended the company's Million Dollar Conference held at the Diplomat Hotel, Hollywood Beach, Fla. with about 350 other company representatives from all over the country. The conferences are held each year for the men who have written one million dollars of life insurance during the previous year.

Terrell resides at 2419 Waterman avenue with his wife and two children.

## Reinhardt Honored by Army for Recruitment

A certificate of appreciation has been presented to Milton G. Reinhardt, Granite City realtor, by Col. Charles E. Hoskin III, commander of the Granite City Army Depot, for his support in the advancement of the civilian and Army recruiting service.

Col. Hoskin said Reinhardt has been highly instrumental in making contacts for recruiting personnel with important and influential persons in the area. He also has been responsible for making business areas available for displays featuring the Army, Col. Hoskin added, giving as an example a medal

display which he arranged to have shown in two banks in Granite City and Edwardsville. The local recruiting station stated that several enlistments were achieved directly through Reinhardt's efforts.

## Last Rites Today For Mrs. Spencer, 58

Funeral services were held today in Charleston, Mo., for Mrs. Izola Jewel Spencer, 58, of 806 Lee avenue, Madison, who died at 7 a.m. Monday in an Alton hospital. She had been ill several months and hospitalized three days.

Mrs. Spencer had resided for 11 years in Granite City before moving to Madison ten months ago. She was a native of Mississippi county, Mo., and a member of the Wyatt, Mo., Baptist Church.

Surviving are her husband, Chester Spencer; one daughter, Mrs. Patsy Bowman of Granite City; two sons, Glenn Eddie-Edwards of Cairo, Ill.; three brothers, including Harold B. Finley of Granite City; one sister, Mrs. Zinovia Vaughn of Cairo; 17 grandchildren.

Funeral services were held today. Details are given elsewhere in this issue.

## Former Resident Buried Today in Pittsburgh

Funeral services were held today in Pittsburgh, Pa., for Mrs. Helen Wood Stone, 47, of Philadelphia, Pa., a former resident of the Quad-Cities. She died Sunday after suffering a heart attack while returning to Philadelphia from a vacation in New Jersey.

An employee of the office of Internal Revenue, Mrs. Stone had moved from Granite City to Pittsburgh in 1940. Two years ago, she was transferred to the IRS Philadelphia office. Her husband died in 1955.

Surviving are a daughter, Mrs. Richard (Rebecca) Zahren of Pittsburgh; and three sisters, Mrs. Marion (Dorothy) Lienberger of Madison, Mrs. Bernard (Margaret) McCord of Syracuse, N. Y., and Mrs. Adolph (Leora) Benoit of Collinsville.

Interment was at Jefferson Memorial Gardens, Pittsburgh.

## Book, New Music Work by GC Author-Musician in Korea

Announcement has been received here of the recent publication of a book and a musical work by James Wade, a former resident of Granite City who has lived in South Korea for the past eight years.

The book, entitled "One Man's Korea," is a collection of Wade's stories, essays, reviews and poems concerning Korea, selected from over 600 pieces appearing in both Korean publications and such U.S. periodicals as the Press-Record, Post-Dispatch, Musical America and Pacific Travel News.

The volume, published by the Holym Corp. of Seoul, carried endorsements from Nobel Prize winner Pearl S. Buck, humorist Richard Armour and best-selling novelist Richard E. Kim. It is distributed in the U.S. by Hutchins Oriental Books, South Pasadena, Calif.

Lullaby Arrangement  
Meanwhile, Shawnee Press of Delaware Water Gap, Pa., a major American music publisher, has brought out "Korean Lullaby," an arrangement by Wade for treble chorus of a well-known Korean song, the first of a series in preparation.

Wade, son of Mr. and Mrs. E. J. Wade of Granite City, was recently appointed a member of the governing council of the Royal Asiatic Society's Korea branch, and is an advisor to the National Association of Korean Musicians.

His opera, "The Martyred," based on Richard Kim's novel about the Korean war, is slated for production in Seoul next season.

An instrumental excerpt from the opera entitled "Elegy for Orchestra" was premiered last August by the Taipei (Taiwan) Symphony Orchestra, conducted by Iliu Quanch, now an assistant conductor of the New York Philharmonic Orchestra.

Varied Duties, Hobbies  
Wade, a graduate of Granite City community high school, the American Conservatory in Chi-

JAMES WADE

cago and Washington University, lives in Seoul with his wife and two sons, where he is employed as a consultant to the Korean government as well as a free-lance editor and writer.

He is also Korea correspondent of Variety, Overseas Weekly and Asia Notebook.

Noted author Pearl Buck summarized her view of his book by saying, "I enjoyed the short stories very much. Mr. Wade writes extremely well and combination which produces a good story."

"Humorous, Informative"  
Armour concluded that "James Wade is not only a sharp-eyed observer of the Asian scene but a writer with a delightful sense of humor. He has a relaxed, engaging way of writing and the reader has a

good time while picking up some information about an interesting part of the world and about the eccentricities of the human race."

Kim wrote that "everything about James Wade is amazing. In this age of specialization, he is one of those rare persons whose interests as well as talents are infinitely varied."

"A long-time resident of Korea, he has been teacher of music, composer, music and art critic, reporter, columnist, and writer of serious essays and articles on social and political matters as well as short stories."

"A truly civilized and cultured man, his insight is keen, his perception penetrating, his heart compassionate and his talent far-reaching. All this is reflected in the present collection of his journalistic pieces, which also shows another side of this amazing man... a delightful and telling sense of humor. I am sure that the reading of this collection will be a richly rewarding experience."

The publisher describes "One Man's Korea" as an indispensable volume for readers interested in any phase of Oriental life and culture.

"Subjects include the history and present situation of West-

ern classical music in Korea, with biographical sketches of leading figures—the first systematically researched material on this subject in an Occidental language; reviews of important books and films; travel pieces; essays, humorous and serious, on various aspects of 'culture shock' and the collision of Korean and western thought; poems; a dozen topical and satirical poems, illustrated by delightful line drawings; and sections from the popular Korea Times weekly column, 'Scouting the City.'

"Here, too, is gathered his complete short fiction about Korea, including the long supernatural horror tale 'Temple of the Fox' and the five satirical sketches comprising the 'Chronicles of Costaguana,' originally published under a pseudonym. Wade's stories raised eyebrows and started guessing games throughout Seoul's foreign colony on their original appearance.

A varied panorama of Korea is reflected in 300 entertaining, informative pages, from tearooms and night clubs to embassies, temples, concert halls and military units. Whether browsing through or boning up, the reader will be constantly

## Household Employee Taxes Due April 30

Do you have a household employee? If you do, you may be required to file Form 942, Employer's Quarterly Tax Return for Household Employees, May 10, 1968, with the Internal Revenue Service.

Social Security taxes are due when \$50 or more in cash wages is paid to any employee in a calendar quarter for services of a household nature, Philpott said.

In general, this includes services performed by cooks, butlers, housekeepers, governesses, maids, cleaning women, valets, baby sitters, janitors, laundresses, furnacemen, caretakers, handymen, gardeners, groomers and chauffeurs of automobiles for family use.

"No taxes are due on amounts paid to persons who are not your employees," Philpott said. "Carpenters, painters, plumbers, repairmen and others who do work for you as independent contractors are not considered to be employees."

The employer tax and the employee tax are each 4.4%, stimulated, challenged and amused by this unique collection.

or a total of 8.8%, of the total cash wages if \$50 or more was paid during a calendar quarter during 1967. If the employer prefers, it is permissible for him to pay the full 8.8%, Philpott said.

The district director pointed out the tax applies only to the first \$6000 of taxable cash wages paid to an employee in a calendar year.

Form 942 returns, together with payment of the tax covering the three months of January, February and March, are due April 30.

Circular H, Household Employer's Social Security Tax Guide, which furnishes more detailed information on this subject, may be obtained by sending a postcard to the District Director, Internal Revenue Service, Springfield, Ill. 62704.

## Coolidge Band Presents Spring Concert Friday

The 125-member Coolidge junior high school concert band will present its annual spring concert at 8 p.m. Friday in the Granite City high school auditorium. The public is invited without charge.

Three highlights of the program will include the first public performance of selections which earned the band a first superior rating at the district band contest, the first public appearance of the Latin Ensemble '68, and the first performance by a student conductor with the band.

Contest selections to be presented by the band, to be directed by R. D. Todoroff, are "Colorado March" by Holmes, "Royal Hunt and Storm" by

Berlioz and "First Swedish Rhapsody" by Leiden.

The Latin ensemble will perform two Latin American selections, "Cha Cha Cha Cantabile" and "Kiss of Fire," and a modern jazz composition, "Play It Cool."

Selected by the conducting class to make the guest appearance is Heather Potter, ninth grade first chair alto saxophone member of the band, directing "Highlights from Carousel" by Rodgers and Hammerstein.

The concert band also will perform "Toccata and Fugue" by Eberlin, "Wedding of the Winds Concert Waltz" by Hall, "Mariachi" by Walters and "Dance Arabes" by Grieg. It will be the final concert of the season by the band.

## Swimming Program May Be Ready at SIU-SW

A swimming program may be instituted at the Southern Illinois University - Southwest campus this summer if work on a beach and swimming area on the south side of the recreation peninsula is completed.

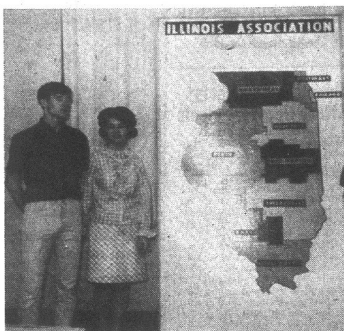

More grading and soil work is needed to provide a beach for swimming during the summer

quarter, according to John Longman, associate university architect at Carbondale.

Before work on the beach was started, Tower lake had to be lowered five feet so that a five-foot earthen ramp could be built to keep the water out when the lake refilled. This did not work well, however, as the area was continually muddy, he said.

When finished the swimming area will be 5 1/2 feet deep, and a chlorinating system is to be developed to keep the lake clean. A 60-foot wide beach is planned.

Another recreation lake north of Tower lake also is being planned.

STUDENT COUNCIL MAP of the state of Illinois depicting high schools in the state made by Venice high school students for display this weekend to the convention of the Illinois Association of Student Council at Chicago. Inspecting the work are Joan Pickens, convention delegate, and map makers Jim Miller (left) and John Freise. Another student on the project not shown is Jerry Langston.

## National College Plans To Interview Students

Miss Kay Val Trobec, admissions counselor at National College of Education, Evanston-Wilmette, Ill., will be at Granite City high school Tuesday at 12:30 p.m. April 30 to talk with students interested in attending National College, oldest private college for elementary school teachers.

National College of Education is offering a new curriculum on a "new" campus, with doubled building space. In the new liberal arts curriculum leading to the bachelor of arts degree majors are available in seven subject-matter fields.

The professional sequence in elementary education continues the superior program of preparation for elementary teachers for which National College has been noted since 1886. The college awards the master of education degree in the graduate school.

## Coolidge JHS Students Win At Speech Meet

Thirty speech students from Coolidge junior high school recently participated in a "District Fine Arts Speech Contest" at New Baden, Ill. Candidates competed against representatives from 20 area schools in one of seven events—humorous and serious poetry, humorous and serious reading, humorous and serious monologues and orations.

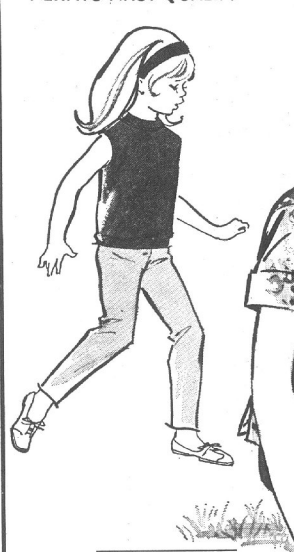

Each participant in the contest received a numerical rating of one through five. The local group was accompanied by Mrs. Shirley Stoll, Coolidge speech instructor.

First place winners, who will advance to the "State Fine Arts Contest" on April 27, include: Cathy Johnson, Kevin McIlvoy and Connie Murray, serious poetry; Carole Carver, John Hartzell, Bob Kozayak, Joyce Huelkamp and Debbie Calvert, humorous readings; Cindy Schade and Mary Ellen Bryner, serious readings; Deby Baker, Brad Cross and Sandy Deatherage, oration; Dave Rouland, Terry Toth, Gayle Mericle, Debbie Hopkins and Laura Tadlock, humorous monologues.

Second place honors went to: Pat Line and Bob Markarian, humorous readings; Phil Dorich, Connie Coe and Karen Karandjoff, orations; Pat Tarpoff, Mina Tarpoff and Margaret Robinson, humorous monologues.

Students receiving third place awards were: Betsy Hayes, humorous readings; and Sarah Hillmer, Susan Kiyasheff and Marilyn Scrum, orations.

### Three Local Students Attend New York Meets

Two Granite City coeds attending Southern Illinois University were among 700 coeds who attended the 13th National Angel Flight convocation, and a Madison student at St. Louis University attended the 20th National Arnold Air Society convocation which were just concluded in New York.

They are Miss Janice Veizer, daughter of Mr. and Mrs. John Veizer, 1817 Pontoon road; Miss Sheila K. Gibbs, daughter of Mr. and Mrs. Claud Gibbs, 2645 Angela drive; and Anthony T. Urban, son of Mrs. Helen Urban, of 940 Greenwood street.

The Angel Flight is a national women's organization which supports objects of the Arnold Air Society, an honorary association for outstanding Air Force Reserve Officers Training Corps cadets.

Urban, a member of the class of '68 at St. Louis U., is working toward his bachelor of science degree in chemistry. He was graduated in 1964 from Chaminade College preparatory school, St. Louis.

Miss Veizer is working toward her B.S. degree in early childhood education. Miss Gibbs is majoring in education. Both are Granite City high school graduates.

### Symphonic Band Offers Campus Concert Sunday

The Southern Illinois University-Southwestern campus Symphonic band will give a concert at 3:30 p.m. Sunday in the Communications building theater. The public is invited without charge.

Under the direction of C. Dale Fjerstad, assistant professor of music, the band will play Aaron Copland's "An Outdoor Overture," Hector Berlioz's "Royal Hunt and Storm from the Trojans," and Morton Gould's "St. Lawrence Suite" during the first half of the program.

Following intermission the band will play Louis Jadin's "Symphonie for Band," Norman Dello Joio's "Scenes from The Looze," and Dmitri Kabalevsky's "Colas Breugnot Overture," transcribed for symphonic band by Walter Beeler.

Southern Illinois University-Southwestern oboist Donna Boitnott will give a recital at 8 p.m. Monday in the Communications building theater. She will be assisted by Linda Perry and Renato Premazzi, pianists, and baritone Dale Moore, all of SIU-SW.

Included on the program will be Handel's "Sonata in F Major," Schubert's "Four Poems by Goethe," "Six Metamorphoses after Ovid" by Benjamin Britten, and one selection each by Samuel Barber and Gordon Jacob.

## Women's Sports In High Gear at SIU-Carbondale

Intercollegiate sports for women are in high gear this year at Southern Illinois University's Carbondale campus.

Fall and winter teams had exceptionally successful seasons and the spring season "looks very promising," according to Charlotte West, faculty sponsor of the 1000 member Women's Recreation Association.

Two and possibly three members of the golf team will go to the National Collegiate tournament in June. One swimmer is an olympic aspirant. . . . a badminton player won the singles at the Southeastern Collegiate tournament in Memphis. . . . four basketball teams had outstanding success. . . . and a team of novice gymnasts placed second to the University of Illinois, Miss West said.

Spring schedule events include: Golf—May 3-4, an invitational meet at Illinois State University at Normal; May 11, a dual meet at Western Illinois University; May 18, a Midwest tournament at Michigan State University; and May 25, a tournament here hosted by SIU.

Dorothy Gorman of Blytheville, Ark., and Paula Smith of Belleville will go to the National Collegiate tournament at Duke University June 16-22. Miss West said, and Lynn Hastie of Carthage will also go if she doesn't attend summer school.

Track and Field — meets at Murray State University (Murray, Ky.), the University of Illinois and Illinois State University.

Softball—a game at Western Illinois University May 11 and a Softball Sports Day here May 18.

Tennis — tournaments with Eastern Illinois University here April 26; with Murray State there April 27, here May 3 and 4; and participation in the Millikin Invitational tournament May 11 at Decatur.

Volleyball—sectional tournament here Saturday.

In addition to the intercollegiate teams, WRA also operates a strong intramural program in all of the sports, with tournaments for teams representing housing units and for those representing the different academic classes.

## Academy of Science To Convene at SIU-SW

Nearly 200 subjects in 13 major scientific categories will be examined April 25-27 at Southern Illinois University's Southwestern campus, when the Illinois State Academy of Science holds its 61st annual meeting. Educational, research and technical personnel from throughout the state are expected to be on hand for the opening council and dinner meeting at 6 p.m. next Thursday in a nearby restaurant.

The meeting will shift Friday, April 26, to the university science building, continuing with a general program until noon and followed by workshops and tours through Saturday.

The general session will include a presidential address by Milton D. Thompson of the Illinois State Museum of Springfield, and a welcome speech by Laurence R. McNamery, dean of Southwestern's science and technology division.

Friday the annual business meeting will be held in the University Center at 5 p.m. followed by a banquet in the River Rooms at 6:30 and a public lecture at 8 o'clock by Mary Alice McWhinnie, chairman of the department of biological sciences, DePaul University, Chicago.

is best for you,  
that's our business.**

Before you make a decision you'll live with for years, it's just good sense to get an unbiased comparison of both kinds of air conditioning: gas and electric. And that's the kind of comparison you're sure of getting from us. Unbiased. Because as a Bryant Blue Ribbon Dealer we sell both kinds. ■ You can rely on us for a lot more, too. An accurate estimate. Factory-trained servicemen. Work that's guaranteed. Plus prices that'll make you wonder why you've waited so long to install wonderful Bryant whole-house air conditioning. ■ Extra-easy terms, too. No down payment and up to 5 years to pay, with FHA financing available. ■ Call us today for a free estimate . . . and for the straight facts on gas vs. electric air conditioning. It's all yours for the asking with no obligation.

**ALWAYS SEE A REALTOR FIRST!**

**If you want to buy or sell real estate in faraway places, see your Realtor!**

Why go sailing off on your own? You can save yourself weeks of time and expense by seeing your Realtor. He has over 80,000 colleagues nationwide. He simply contacts other Realtors who serve areas you're interested in, whether nearby or across the country. A Realtor is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local board and of the National Association of Realtors.

So if you're thinking of building or buying in unfamiliar territory—or if you want to put your own property up for sale—take advantage of your Realtor's contacts. Look for this seal, which only a Realtor may display.

# MADISON COUNTY SANITATION DEPARTMENT. NOTICE TO ALL TRUCKERS AND/OR HAULERS OF VEHICLES, BODIES, TRASH AND REFUSE CATEGORIES.

The Madison County Sanitation Committee of Madison County Board of Supervisors & their duly authorized representatives will conduct on-site inspections of all vehicles engaged in hauling garbage, trash and refuse in Madison County, beginning the 6th day of May, 1968.

The inspection and licensing fees are as follows: Registration for State of Illinois vehicles, \$2.00 inspection fee, \$5.00 licensing fee; total fee \$10.00. Registration for out of state vehicles, total fee \$10.00 per vehicle, as provided under Article IV, Section B of the Madison County Sanitation Ordinance and all subsequent amendments thereto. The above stated amount is to be paid at the below stated locations.

The on-site inspections will be held at the following locations on the days and times specified for the convenience of the haulers who continually patronize the following locations:

1. M.A.L. Corporation, May 6th, 7th, 8th, 9th, and 10th, 1968 between the hours of 8:00 a.m. and 4:30 p.m. This landfill is located on Old Hwy. 68 adjacent to Chain of Rocks Bridge.

2. City of Edwardsville, Marion Cross, owner, between the hours of 9:00 a.m. and 12:00 p.m. 11th and 18th, 1968, between the hours of 9:00 a.m. and 12:00 p.m.

3. Thomas L. Sanders, Oakwood Ave., Godfrey, Illinois, May 14, 1968, between the hours of 9:00 a.m. and 4:30 p.m.

4. City of Collinsville Landfill, May 15th and 16th, 1968, between the hours of 9:00 a.m. and 4:30 p.m.

Any vehicles as aforesaid, who fail to appear at any of the landfill sites as described above will be inspected by said department at the Madison County Highway Department Garage, located on Rt. 143 opposite approximately 3/4 mile west of Old Rt. 66 on May 21, 1968, between the hours of 9:00 a.m. and 3:30 p.m.

Any person who fails to comply with the provisions of this Ordinance will be subject to a fine not to exceed Two Hundred Dollars (\$200.00). Each day a violation continues to exist shall constitute a separate offense.

J. R. CLIFFORD, Madison County Sanitation Officer. 34-4-18

## MADISON COUNTY ZONING ORDINANCE, BOARD OF APPEALS.

### NOTICE OF PUBLIC HEARING

Notice is hereby given that the above named Board of Appeals, established under the Madison County Zoning Ordinance, will hold a Public Hearing on the 6th day of May, 1968, at the time and place as hereinafter set forth for the purpose of hearing testimony for and/or against the following proposed change in the above named Ordinance: At 10:55 a.m. on the petition of Everett G. and Josephine Prindle, owners of record, requesting a Special Use Permit to erect one (1) and two (2) family dwellings with detached garages on the east side of the intersection of the East Side Levee and Sanitary District in N. Madison County, Township 3 North, Range 10 East, Section 3 P. M., Madison County, Illinois, more fully described as follows: BEGINS AT THE SE corner of Lot 78 Wilshire Manor Addition No. 3, which also represents a portion of the north boundary line of LOT 46, Wilshire Manor Addition #2, then easterly along the north line of said Wilshire Manor Addition #2, its easterly extension a distance of 678 feet, more or less, to a point in the east north-south line of Section 9, north of the east side of the east line of Section 9, a distance of 1064 feet to a point, then westerly and parallel with the easterly extension of the center line of Buenger Blvd., a distance of 680 feet to a point then southerly a distance of 1082 feet, more or less, to the POINT OF BEGINNING. Containing 15 acres, more or less, located at the east end of Buenger Blvd.

The hearing will be held at the above described location in Madison County Zoning Board of Appeals.

**ADVERTISEMENT FOR BIDS FOR THE IMPROVEMENT OF CAHOKIA DRAINAGE DITCH NORTH OF LEVIN DRIVE IN ST. CLAIR COUNTY, ILLINOIS**

Sealed proposals in duplicate for the improvement of Cahokia Drainage Ditch north of Levin Drive will be received by the Board of Trustees of the East Side Levee and Sanitary District at its office, 2642 McCaskey Avenue, East St. Louis, Illinois, until 10:00 a.m., May 8, 1968.

The project consists of the construction of a ditch, 36-inches wide with backwater gates, an 18-inch culvert, and modification of existing relief valves, to be located north of Levin Drive.

The proposed work is in accordance with the Resolution of the East Side Levee and Sanitary District, and the specifications are on file in the office of the District, where

## U of Mother's Weekend Plans of May 3-5 Announced

In recognition of her service to the United States and the inspiration she has represented, the University of Illinois Mothers' Association recently named Senator Margaret Chas. McNamara of Maine as recipient of the 1968 Bronze Medalion of Honor.

Presentation of the award is made each spring and highlights a series of weekend activities sponsored by the Illinois Mothers' Association-Urbana campus. This year's "Mother's Weekend" is scheduled for May 3-5.

In announcing Sen. Smith's selection as the Medalion winner, Mrs. Lucille Caban of Granite City, association chairman for Madison County, said today, "As a troubleshooter for women in government, Senator Smith has encouraged women to become involved and to share responsibility for the affairs of the nation."

At the opening hearing the Senator from Maine, the Illinois Mothers are expressing their appreciation for her contributions to government and for the image of intelligence and integrity that she has brought to American politics.

"Unfortunately, Sen. Smith has a commitment in her home state on May 4 when the Medalion is to be presented," the association chairman said. "However, she has written Senator McNamara and requested that she be honored to have Dr. Miriam A. Sheldon, Dean of Women's Studies at the University of Illinois, accept the award for her. Dean Sheldon was acquainted with Senator Smith, the United States Representative, when the dean, an officer in the WAVES, was stationed in Hawaii during World War II."

The first award of the Bronze Medalion was made in 1966 to Mrs. Helen Hayes, actress. In May 1967, the Mothers' Association made Center-South University's Sara Lee, wife of Illinois University President David D. Henry, in honor of her husband, the first woman to be elected First Lady during the university's 100-year history, and to Amelia A. Pliner Stern, wife of the University's President.

Other events planned for the weekend include a "Continental Breakfast," sponsored by the Mothers' Association and the Illinois University, served between 8 and 9 a.m.

**Public Notices 34** they may be inspected by prospective bidders.

### For Grade School Pupils

#### Language Development Center Authorized by Venice Bd.

Establishment of a "language development center" for Venice grade school pupils, of whom nearly 50% are estimated to be below their grade level in reading ability, based on a recent survey, was authorized by the Venice board of education Monday evening.

The language center proposal, submitted by chairs appointed by Mrs. Marianne Hay, Venice speech correctionist, and Mrs. Sharon Gregg, language arts teacher, was strongly recommended for board approval by Venice Supt. John O. Pier, Assistant Supt. Robert N. Vickers and various faculty members.

Cost of equipping such a center was estimated at less than \$2000. Items requested include an auditory training unit consisting of a tape recorder, \$75; language master or auditory flashcard system, \$550; 25 audiocassettes, \$250; a written language station for placement of auditory training unit, estimated at \$500; miscellaneous materials (work books and various kits), \$500; and testing materials, \$500.

Items required to set up the center, such as a tape recorder, audiometer, standard reading books, charts and reference books, are available in the school system at the present time, it was noted.

In seeking board members' approval for the center, the proponents said its establishment will be a cooperative effort to coordinate the speech and reading programs more closely with other phases of the education of equipped students.

Most importantly, the teachers said, the center will be used for diagnosis and remedial instruction that can help each child develop through expressive language the vocabulary necessary for reading and, in turn, improve his reading skills. Mrs. Hay and Mrs. Gregg justified their request by citing results of a survey on student reading abilities. They pointed out a necessity to reassess the lack of continuity within the areas of reading and speech.

Most authorities agree that children must have language development, which is the meaning in reading," they said. Children need oral language development of the psychological language development, it was stated.

It can be generalized that the two primary reasons children have difficulty learning to read are—they do not know the language of what they are asked to read, and they do not know what to do with the material after they have decoded the written English," the teachers said.

A report offered results of various studies, conducted by widely-known language training authorities and by universities, that disclosed in most instances

elementary pupils and \$3 for junior high school students. Purposes of summer schooling in the Granite City district are:

1. Strengthening—for students needing additional work in specific subject areas.

2. Review—for students doing acceptable work during the regular school year, but are required to gain added skills in certain subjects.

3. Special interest—for pupils desiring to develop their talents in areas of art, music, or other work but who can profit from supplemental work beyond that normally taught during the regular school term.

4. Makeup—for ninth graders who have failed one or more subjects.

Transportation is not furnished for summer school. Attendance is not mandatory but is recommended for summer instruction by their teachers and principals.

Students are being sought by May 3.

Once enrolled, a pupil must attend regularly, since financing of the program is dependent on state aid dependent upon such regular attendance.

**Gualdoni Gets Post With Laclede Steel**

A. A. Schweighauser, vice-president of industrial relations for Laclede Steel Co., has announced that he will be leaving the company to join Louis C. Gualdoni as an administrator of communications.

Gualdoni was a public information officer with the U.S. Army Mobility Equipment Command prior to joining the Laclede Steel Co.

In his new position he will be responsible for company publicity and will handle community relations and employee relations assignments.

Gualdoni is a graduate of Washington University in St. Louis and has a business administration degree from the University of Missouri at Columbia.

The Federal Blvd. signs which go up on Market street to honor the anniversary of the Greater St. Louis Federal Civil Service Employee of the Year was conceived and developed by Mr. Gualdoni.

He has also worked for the United Press (before the International News Service merger). The Edwardsville Intelligencer; The Daily News-Journal; Clavis, N. M., and The Daily Spokesman, Farmington, N. M.

The benediction was by Rev. Gail Cross of the Nameki Presbyterian Church.

## Local Amvets Meet National Commander

Several officials from Quad-City Amvets Post 51 and Auxiliary attended a dinner meeting Monday at Mount Vernon Amvets Post 4, honoring Amvets National Commander Anthony J. Caserta of Alliance, Ohio.

Those attending from here included 25th District Commander David L. Murphy; Post 51 Commander Russell Robinson; Steve Konkovich, Post 51 public relations director; Mrs. Agnes Konkovich, Post 51 auxiliary president; and Mrs. Jean Murphy, auxiliary treasurer.

Accompanying the national

commander to Mount Vernon were Mrs. Rita Potvin of Old Orchard, Me., national auxiliary president; John P. Beards of Jacksonville, Illinois Amvets president; and Mrs. Jean French of East Peoria, state auxiliary president.

### Five-Year Veteran

Caserta, a businessman, has been active in Amvets since its founding after world war II. A veteran of five years' service in intelligence in the Army and Air Force in the second world war, he is a life member of Amvets and was the first commander of Alliance Post 4.

In 1965, the Amvets national convention voted him the Ray Sawyer "Amvet Man of the Year Award," the Amvets highest honor. He was elected the 23rd national commander last August at the group's 1967 convention at Hollywood, Fla.

The national official is president of the Caserta Construction Co., Nan-Fran Development Co., Caserta Supply Co., Caserta Properties Co. and the Alliance Data Center. All are located in the vicinity of his hometown.

### Rioting by Teenagers

Commenting on the recent several days of rioting in major U. S. cities, Caserta cited the "shocking number of reports received and pictures taken by news media in which the looters and rioters were actually early teenage children of both sexes."

He referred to his recent appeal to the recent Governors' Conference, in Washington, at which time he cited the decay of American youth as the number one problem in the nation today, even possibly above the conflict in Vietnam.

leader noted he appealed to the conference to support the "Safe Streets Act," as a step toward curbing the growing hostility by youth toward all law-enforcement personnel.

"If these teenagers are allowed by their parents to pillage and loot at their present ages, what can we expect them to be doing five or ten years from now," Caserta stated Monday.

"What further complicates the picture in the minds of these youths is the fact that the police, soldiers and civil authorities, with the 'No-Shooting' orders prevailing, could make little or no move toward stopping these teenage looters. This position will only tend to increase the feeling of contempt and disrespect held by the youths for persons of authority," Caserta further asserted.

He urged a major effort, both by legislation and by local programming, to be undertaken in an attempt to turn the youth of today away from the course they are presently following—a certain collision with police authority at a future date when the "No-Shooting" rule will be dropped.

Earlier Monday, the national commander toured a veterans hospital at Marion, Ill., and pledged to many of those gathered to greet him that evening, his intention to place the full weight of his office behind efforts to rebuild the facility.

## Conduct Charge Filed

Dorothy Biggs, 29, of 4102 Kirkpatrick Homes, was charged with disorderly conduct at 10:35 a.m. Tuesday on a complaint signed by Pat Biggs.

## Fire Destroys House In Cloverleaf Area

A four-room frame house at 2128 Alton avenue, Cloverleaf addition, and its contents, were destroyed Monday afternoon by fire of undetermined origin. Firemen received the alarm at 4:15 p.m. and were at the scene until 5:30 p.m.

Madison firemen said the house was aflame when they arrived and lack of water hampered fighting the blaze. Venice firemen were called to assist the Madison firemen. The house was owned by Arthur Gott and occupied by Larry Lehman. No estimate of the loss was given.
